Senior Class History

In 1939 a group of excited children entered the first grade to begin their school life. It was a big day for all in some way: some were happy, some were not; some were bashful and still others were boisterous. Mrs. Pearle Haffner was our teacher and she gave us a good start toward reaching the goal we have now attained.

During the rest of our grade school years, we accomplished a great deal. Then we moved into the new building to Junior High. Our next step, and a very important one, was the day we entered the Ninth Grade. We had 36 students, some of whom came from Morgan and Union Townships. We elected class officers by a class vote and they were: President, Phyllis Hiles; Vice President, Gene Singer; Secretary, Naomi Vastine; Treasurer, Betty Hansen; Adviser, Miss Hutchinson.

In our Sophomore year we had one of our Industrial Arts boys make a cedar chest. The girls then brought linens and towels and we chanced it off. That year our class officers were: President, Phyllis Hiles, Vice President, Glenn Adams; Secretary, Patricia Norman; Treasurer, Gene Singer; Adviser, Mrs. Oliver.

Our Junior year was the most eventful. We went on an excursion to Washington. We were very generous with the Seniors. We took them to Washington and gave them a banquet. We selected a Hawaiian theme for our banquet. Mr. E. R. McCown and Mr. Haney were the speakers. Elizabeth Phillips, Class President, was the toastmistress. The rest of our class officers were: Vice President, Phyllis Hiles; Secretary, Naomi Vastine; Treasurer, Betty Hansen. Class Adviser Mrs. Oliver.

The Senior Class of 1950-51 is composed of 18 members. Our class officers are: President, Bob Penn Vice President, Libby Phillips; Secretary and Treasurer, Ona Compton; Adviser, Mr. Arrick.

Class Colors.....Blue and White
Class Flower.....American Beauty Rose
Class Motto....."Today we follow, Tomorrow we Lead"

We are planning a trip to Mammoth Caves. The Juniors are very busy preparing a banquet for us.

We want to take this opportunity to wish the Senior Class of next year the best of luck and may they enjoy their stay at McDermott High as much as we did.

Phyllis Hiles-51

THREE RULES OF LIFE

To keep happy and contented,
love God above all and keep his
Commandments.

To keep healthy quit any bad
habits and don't start any more.
Eat plenty of fresh fruits,
vegetables, and wholesome foods.
Get enough sleep and work to
make you feel good.

The way to prosperity is Love
thy neighbor as thyself, Do
unto others as you would have
others do unto you. Don't ever
be afraid of plenty of hard
work and good management, but
never worship it.
