FHA-HERO had a very successful year in 1995-96. This year's theme was "Changing With the Colors of the World," and activities began by electing officers. Both chapters attended the District Meeting in October. The next activity was the annual Christmas party, followed by the Regional Rally. Both chapters received Award of Merit. Jamie McCoy and Kerry Arthurs were 2nd place in "Skills for Life" and Marti Dodson was second in "Interpersonal Communications." Several members attended 1996 State Convention where LoveLee Blizzard and Marti Dodson performed the National Anthem. The Junior Chapter were busy all year, making treats for Nursing Home patients. All in all, FHA had a great time this year.

Jazz Band

Ryan  
Thomas and  
Jamie  
McCoy liven  
up the crowd  
with the  
playing of  
our school  
song.

Before the 1946 Scioto County Basketball Tournament, it was decided that each of the county high school bands was to play at one session of the tournament. Most bands preferred to play on a night when their team did not play. Therefore, they would play the school song of the teams that were competing during that session.

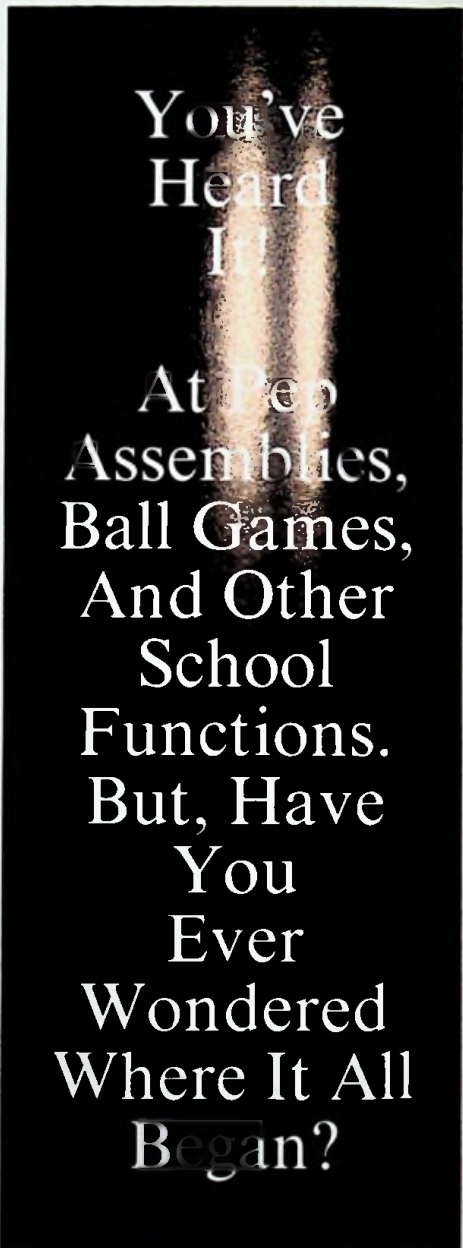

Mary Martha Thieken

Up till this time our school song, "Hail to Green High School," had not been arranged for the band. Also this was not a pep song for the team. With these things in mind, Miss Zipperlen, the music teacher at the time, selected the college march, "Go, Northwestern, Go" as the tune for our song. Two students, Mary Martha Thieken and Betty Craycraft wrote the words that appear below. It was then adopted, and remains our school song today.

Betty Craycraft

# Band

19  
96

The Green High School Band started off a great year with the theme show "The Musical Magic of John Williams". The pressure was on in August, and the band began to practice the songs, "Raiders of the Lost Ark", "If We Were In Love", "Star Wars", "Cantina Band", "Jurassic Park", and E.T. After much hard work the band successfully carried on the tradition of qualifying, with a superior rating, for state finals. Hours of hard work had paid off! The band received an excellent rating at the state competition. From countless competitions to entertaining at football games, it was then time to switch gears and start off the concert season. Many students put in long hours so that they could perform in the jazz band. Seemingly endless practices finally showed their results when the concert band's beautiful harmonies won them straight superior ratings on the floor at the district XVII concert competition. Green was the only Scioto County band to qualify for State!!
