THE BOBCAT 1973

Green High School

Green Township High School 1926-1973

Tomorrow, and tomorrow, and tomorrow,
Creeps in this petty pace from day to day
To the last syllable of recorded time,
And all our yesterdays have lighted fools
The way to dusty death.

--William Shakespeare

PROLOGUE . . .

Another year has come and gone and has now become history in the 1973 BOBCAT. It has been a year of many happenings - little ones, big ones, joyous ones, and sad ones. These times are now nothing more than memories. Thus, the 1973 BOBCAT exists to captivate some of these highlights so that they may not be forgotten so soon. For some, this edition contains their last days at Green High School, and as each graduate views these one hundred and forty-four pages, he will see that these things will never again be.

The 1973 BOBCAT views the past year as being A LEGEND OF TIME. It saw many changes over the course of 1972-1973. The completion of the new high school seemed to climax the year. A change in the students seemed to be an enlightenment also in that they listened more and spoke when a cause was felt. Over all, a great year was experienced by those who attended Green High School.

It is the hope of the entire 1973 BOBCAT staff that Green High School will continue to be a story of success. It is also the staff's hope that the BOBCAT will continue to portray the true spirit of the real Green Local High School.

“A Legend of Time”

Take time . . .
With each other. Let the
seed of love grow
and flourish
with the seasons . . .
Spring's awareness
Summer's warmth
Autumn's understanding
Winter's serenity
Take my hand . . .
We've a lifetime

In Memoriam . . .

Ben Smeltzer

Mr. Smeltzer served devotedly and unselfishly on the Green Local Board of Education for many years. His service will be remembered in the years to come.

There is no death: O heavy heart, believe it!
Earth, sun and sky in golden chorus shout it;
Cast sorrow in the fires of spring, nor grieve it;
Life is reborn in love; ah, can you doubt it!

1973
Junior-Senior
Prom

On the evening of May 18, 1973, the Ramada Inn in Portsmouth was the scene of the 1973 Junior-Senior Prom. The theme of the event was "A Time For Us." Music was provided by the Abrahams. Queen for the evening was Miss Regina Otworth while Miss Vicki Semlar reigned as princess. This night was truly one that many would never forget. This event also ended what was termed a 'fabulous year' by the Class of 1973.

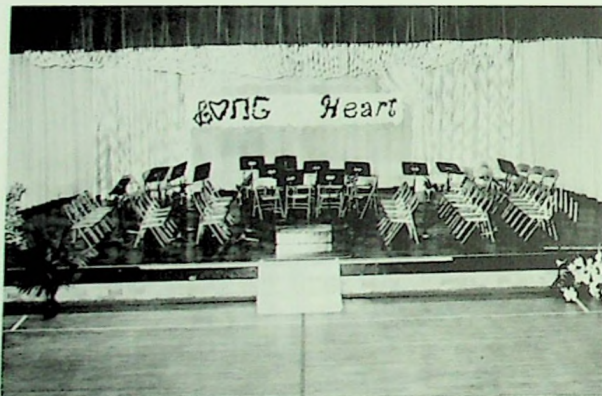

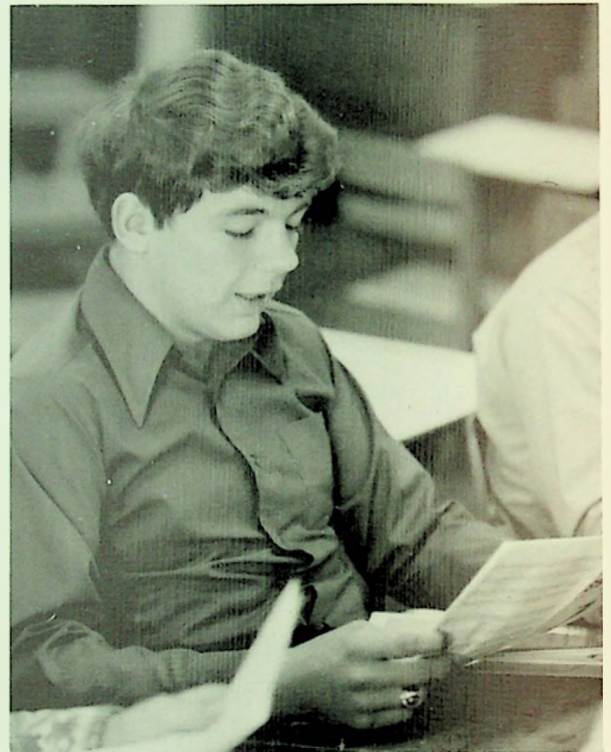

A TIME FOR US some day there'll be, when chains are torn by courage born of a love that's free, a time when dreams so long denied, can flourish as we unveil the love we now must hide. A time for us at last to see a life worthwhile for you and me, and with our love through tears and thorns we will endure as we pass surely through every storm. A time for us some day there'll be, a new world, a world of shining hope for you and me.

How do I love thee? Let me count the ways,
I love thee to the depth and breadth and height
My soul can reach, when feeling out of sight
For the ends of Being and ideal Grace,
I love thee to the level of everyday's
Most quiet need, by sun and candle-light,
I love thee freely, as men strive for Right;
I love thee purely, as they turn from Praise,
I love thee with the passion put to use
In my old griefs, and with my childhood's faith,
I love thee with a love I seemed to lose
With my lost saints, - I love thee with the breath,
Smiles, tears, of all my life! - and, if God choose,
I shall but love thee better after death.

- Elizabeth Barrett Browning

Another year has gone by. It seems that only yesterday was September, and we were just beginning our Senior and final year. Now the year has passed and we wonder why it had to go so fast. We'll all go our own and separate ways, but we'll never forget all the great memories Green High School has provided.

Editors' Comments

I have always wondered what I would say when this book was finally completed. In order to remain a U.S. citizen bona-fide, I have chosen to say nothing. It has indeed been a year of many happenings - some good ones and some bad ones. However, the year has been an experience I will never forget. To all the yearbook staff including Mr. Basham, my sincere thanks go for tolerating my unceasing orders. A special thanks also goes to the photographers who did such a nice job. Last, but not least, my final thank you goes to Green High School for making this book possible.
