# The Class of 2002 Reflects...

"Looking back—a time to remember." This phrase describes the last 13 years of our lives perfectly. 13 years. For 13 years we've been together. We've grown up together, we've shared, we've cared, we've laughed, and we've learned.

Who could forget the kindergarten barnyard play, and the spectacular 3rd grade performance of "The Nutcracker"? We'll always remember Mrs. Pellegrinon's 6th grade indoor recess casino, and the time Jeremy ran the wrong way down the football field in junior high. Together we entered Wheelersburg High School, where we battled through triangles with Mr. Claxon, were introduced to a new form of writing by Mr. Branon, went to our first prom, and learned that "IT was always a preposition".

Most of all, we will look back and remember friends. Friends we will never forget, friends we have laughed with and comforted, friends who will remain in our hearts forever. As we move on to the next step and face new challenges, we will always know that our cherished memories of WHS will never be forgotten, and we will be forever friends.

A group of 8th graders take a break from the scholarship banquet to smile for the camera.

# River Days

Amanda Rase was selected by the WHS student body to represent them as their 2001 River Days' candidate. She spent many hours preparing her float and several Saturday mornings at Harding Elementary practicing with the other contestants. Amanda's float theme was "A Night at the Academics." Amanda earned 2nd place for the homemade float category. Amanda's favorite part of River Days was the parade, but her favorite part of the evening was when she first walked out and saw the student body go wild. Amanda said, "I was overwhelmed by the size of the cheer block, the signs, and the noise! It really meant the world to me to see all my friends cheering me on." All the hard work and dedication paid off for Amanda. She was crowned first runner-up in the Miss River Days Pageant.

If she had the chance to do it over again, she wouldn't change anything. "I was fortunate to have the opportunity to represent WHS in the River Days' festivities. My River Days' experiences not only blessed me with eleven new friends, but also helped to build my confidence. I am now traveling all over Ohio speaking about our festival while making new friends in the process. Being the River Days candidate for WHS was a great honor and privilege."

Chamberlin. As an organ donor, four people were touched by the lifesaving gifts of his kidneys, pancreas, liver, and heart. Eric had a very rare blood type and of the thousands waiting for a transplant in the US, only a small number were matches and each one is grateful for Eric's gift.

In 2001, the Pirates looked to bounce back from a disappointing 5-6 record which had caused the Pirates not to capture the SOC the previous year. One of the biggest wins in 2001 was the victory against Minford. The Pirates traveled to Minford and defeated the Falcons 21-7. The Pirates suffered a huge loss due to this game when running back Billy Dever broke his ankle, but not before getting 140 yds on 7 carries against Minford. Jared Chamberlin did an excellent job of taking over fulltime running back duties. The Pirates would go on to finish the regular season 6-4, just falling short of their hopes for an SOC Championship. Perhaps the most memorable game was the Portsmouth game. The Pirates were down 7-21 with 5 minutes left. The Pirates scored, got an onside kick, and scored again, but a controversial call on a two-point conversion left the Pirates with a 19-21 loss. After a close playoff game with Cincinnati Reading, the Pirates finished the season at 6-5, but lost their last 3 games by a combined total of only 17 points. The Pirates' record by no means reflected their work ethic, heart, desire, and performance on the field, despite the losses of Coach Schmidt and Billy Dever. The Pirates gave all they had and that is what the 18 seniors will be remembered for at WHS.

## JV and Freshman Football

Reserve and Freshman Football teams are a very important part of Wheelersburg's traditionally strong football program. Here the players learned what is meant by hard work and how to prepare for games. The captains Matt Ross and Matt Price led the Freshman Team to a 3-4 overall season record. Playing their first year at the high school level, the boys played hard against the teams throughout the season. These young players along with JV players should confidently be able to step up and take over at the varsity level in the years to come.

Jonathon Dunham runs the ball for a touchdown as Chason Perry moves to block their opponents.

Coach Bailey goes over strategy during a time-out.

## Football Cheerleaders

The Junior Varsity and Varsity cheerleading squads got off to an early start with practices beginning in July. The cheerleaders prepared to attend camp at Ohio State University. While at camp, they won awards in both the cheer division and dance division. The Varsity received the leadership award for the third year running. Two cheerleaders were named to the UCA All-Star Squad. Jill Queen and Katelyn Leesberg received the honor. The summer was soon over and as school started the cheerleaders were ready and excited as football season began. They not only cheered their Pirate men from the sidelines every Friday night, but they also put in many hours during the week with practices and making locker signs and treatbags. All of their efforts paid off as each Friday night, they were ready with cheers, sidelines and dances to encourage the team onto victory.

The runners competed in several locations, including Portsmouth, Lancaster, Rio Grande, and South Webster. A highlight of the season was the SOC competition where the boys placed 4th in the SOC with Scott Oppy making 2nd team SOC. The girls placed 2nd in the SOC. Michelle Schmidt took 2nd place while Missy Danzer received 3rd place, both qualifying for 1st team SOC. Ashley Nelson placed on the 2nd team SOC. Michelle and Missy qualified for regionals, which took place in late October. The Cross Country team worked hard and pulled together to complete a fulfilling and fun-filled season.

# Girls' Tennis

The Lady Pirates Tennis team had a remarkable season. With an outstanding record of 12-2, the girls dominated in local and district play. Their many hours of practice with head coach Tom Carter definitely paid off with the varsity team's sweet victories. Special recognition should certainly be awarded to the team's varsity members. Amanda Phipps (#1 singles), Amanda Arnett (#2 singles), Elizabeth Spears (#3 singles), Ana Skaggs and Bethany Kirkendall (#1 doubles), and Keelie Snider and Jordan Bihl (#2 doubles) all competed in Sectional play. The team's co-captains, Amanda Phipps and Amanda Arnett, had a great performance in the 2001-2002 girls' tournament. The Amandas paired up to form a winning doubles team and were awarded the Girls' Sectional Championship title. The duo proudly represented WHS as they advanced to the district tournament held at the Columbus School for Girls. They battled through vigorous matches and finished the Lady Pirates' season one match away from the State tournament. With the team's outstanding accomplishments, these girls will truly be remembered.

# Golf

The 2001 golf season was indeed a successful one for the Wheelersburg Pirates. Under the guidance of first year Head Coach Bob Schwamberger, the Pirates finished the season with a record of 90-28. They finished second in both the league, with a record of 20-4, and the sectional tournament. Their season sadly came to an end in early October as they finished fourth at the District Tournament, missing a State Tournament by a mere 6 shots that day. The Pirates accomplished many things this season both as a team and as individuals. Perhaps the most memorable moment of the season was when the Pirates set a new single match scoring record. On that day, the Pirates torched the course to a team score of 146, breaking the old record by 5 shots. The Pirates were led by Paul Miller's 34 that day, followed by Mike Adkins' 36, Justin Clark's 37, and Ryan Noble's 39. Individually, the Pirates were paced by Paul Miller, who set a new record for average score over the course of a season.

# Varsity and JV Volleyball

The Varsity Volleyball Team had a very successful season with an overall record of 23-3 and 13-1 in SOC competition. They ended up SOC Champions, Sectional Champions, District Runner-up, 6th Annual Wheelersburg Varsity Tournament Champions, and 7th in the final poll of the State High School Volleyball rankings. Coach Carol Bialkowski was named SOC and District Coach of the Year. The team also set many school records which included one team match record and best overall record in WHS history. Brooke Emnett set two individual records as well. The Junior Varsity team also had a great season as they won the Wheelersburg Junior Varsity Tournament and finished with a record of 18-3.

Coach Branon finished his 33-year coaching career with the 2001-2002 Lady Pirates. Obviously, he went out on a positive note. The Varsity team swept the Minford Falcons and grabbed solid wins over Portsmouth, Rock Hill, Zane Trace, and Ironton. Several girls received individual awards, and the Varsity team concluded with a winning record for the first time in four years. It is evident that the girls achieved outstanding individual and team success.

# JV and Freshman Basketball

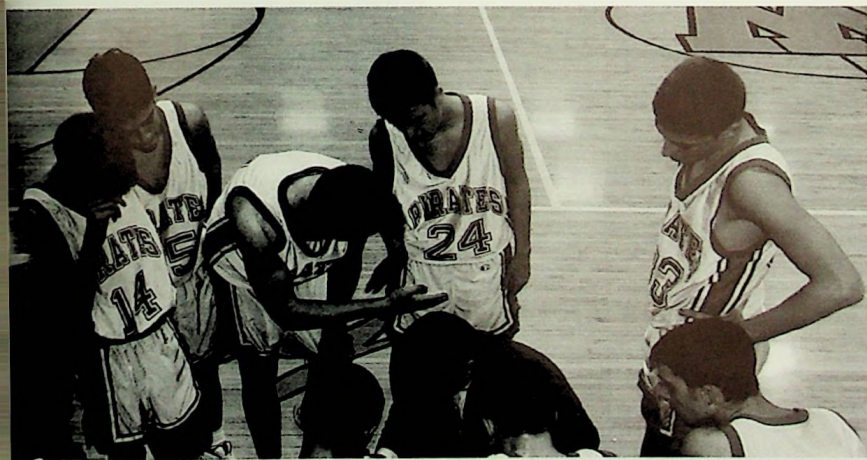

A strong varsity basketball program relies upon the foundations worked upon in the Junior Varsity and Freshman teams. Both teams were very successful this year. The JV team compiled a 13-6 record. The team ran through the SOC winning all but 3 of their SOC games. In their exciting wins, the team enjoyed eleven games with double-digit differences. The Freshman team finished with nine wins and four losses. The varsity and reserve squads practiced numerous hours to get ready for the entertaining dances they performed at halftimes. The girls also spent time out of practice making locker signs and treatbags for the boys each week. The varsity squad was invited along with the varsity basketball team to cheer at the National Hoops Classic in Columbus. Even though the boys lost to Laurinburg Institute, the girls cheered them on proudly. At the last home game, the squads performed the favorite "Shania" dance to top off the season. Then tournament play began which led to the varsity cheering on the floor of the Ohio University Convocation Center.

The Pirate tennis team had another successful season with a 13-4 regular season record. In the SOC tournament, Wheelersburg's No. 2 seed Malte Voigt's semifinal match with West's Ryan Callihan went three sets, 3-6, 6-1, 7-5, and lasted almost two and a half hours. Malte met the No. 1 seed Nate Franke from Minford in the final round but lost the match 3-6, 5-7. In Division II Sectional tournament, Malte was chosen as the No. 3 seed. Malte was defeated in the semi-final round of action. In the semifinal doubles play, Alan Siegfried and Trenton Thomas topped Gallia Academy's Stapleton and Hennung 6-4, 6-4. WHS's Siegfried and Thomas traveled to Columbus for district competition as the No. 2 seed. Wheelersburg High School placed three students on the All-Conference First Team: Malte Voigt for his 2nd place finish in singles, and Trenton Thomas and Joe Schwamberger for their 2nd place finish in doubles.

# Varsity and JV Baseball

The baseball team, under the direction of first-year coach Michael Estep, finished the 2002 campaign with a record of 10-15. Even though their record may not show it, the Pirates had a good season. This year's team was very young, featuring only four seniors. The highlight of the season came in the second game of the season when Wheelersburg beat conference rival Minford 7-4 at home. Pitching for the Falcons that day was former Pirate teammate Seth Morrison. "The victory over the Falcons was a big momentum booster for us," said Pirate senior Jay Spaulding. Individually, the Pirates were led by senior first baseman Seth Myers who led the team in virtually every offensive category. Myers along with teammate Jared Madden were selected to the All-Conference team. The future looks bright for the Pirates with 14 varsity players returning next year.

The Lady Pirate Softball team was under a different coaching staff this year. Head Coach Gary Bailey and Assistant Coaches Adam Bailey, Rick Faulkner, and Bob Clevenger led the team. The team did very well in their season this year even though they did not have any seniors. They finished second place in the SOC Division II and broke the record for most wins in a season with a record of 19-4. In the Sectional Tournament, the Lady Pirates defeated Ironton (4-0) and South Point (7-6) to become Sectional Champs. Their season came to an end in the District Semifinals against Fairland (3-6). The Lady Pirates were also Co-Champions of the Northwest Tournament. Many individual records were also broken. Jessie Seeley broke the single season hits, singles, R.B.I.s, batting average and on base percentage records. Rachel Staley broke the single season strikeout and shutout records. She also broke the record for most strikeouts in a game having 15 against Valley. All of their teamwork and hard work made their season successful.

# Yearbook Staff

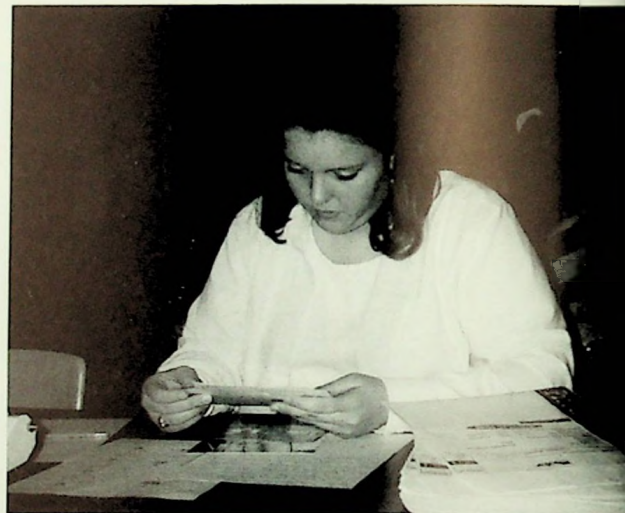

In September of 2001, the yearbook and photography staff decided on the theme "A Time to Remember" for the 2001-2002 yearbook. Through the next few months, the staff of approximately 30 students sold over \$4,000 worth of advertising to local businesses to help pay for the high costs of the yearbook. The year passed quickly as pictures were shot, layouts were created on the computer, and staff members wrote captions and body copies. Thanks to the advisor Mrs. Melody Williams and the hard work of the committed staff members, the student body will remember the people, academics, sports, student life, and organizations of 2001-02 Wheelersburg High School for years to come.

Seniors had to serve 16 hours by the end of the year and juniors were required to complete 12 hours. In exchange for the students' work, SOMC helped pay for NHS Inductions and the Scholarship Reception.

Wheelersburg High School Student Council members were elected by members of the student body. The 2001-2002 advisor was Mrs. Nickell. Student Council members sold Pirate Cards again this year to raise money for various projects. One of those projects was the Community Clean-up. On April 18th members of Student Council along with other organizations encouraged many people in the community to take a couple hours to clean-up their neighborhood. The main project of Student Council was purchasing a sign to put at the bottom of Pirate Drive to inform the community of upcoming events. This project will continue into next year. The WHS Student Council also sponsored a can food drive and the Christmas tree that was decorated in the lobby. The members of Student Council were dedicated to representing the students at WHS.

# Newspaper Staff

The 2001-2002 WHS Newspaper Staff had a great year. Several students decided midway through the year that our school needed a newspaper. With the cooperation of the faculty and the students the newspaper became a reality. There were approximately 25 students who served on the staff. The newspaper was properly named "What's Going On." This year there were six issues published. John Adamo and Ashley Hurley served as editors.

# Iota Sigma Kappa

With 27 students in Independent Studies, Iota Sigma Kappa completed many service projects throughout the year. Projects included cards and visits to the local nursing homes at Christmas and Valentine's Day, box tops for the elementary school, a mitten tree collection, the Read Across America national project with 1st graders, and many more. The annual computer Valentine matches fundraiser was completed to help pay for the projects. The largest project sponsored by I.S. was the annual Mail for the Military project. After September 11th, many more students wanted to help support our military personnel. WHS sent 7,386 Christmas cards and letters and was recognized as the #1 high school in Ohio and #2 nationally among participants. Many students received e-mails and regular letters from military personnel, including several from the carrier USS Theodore Roosevelt.

# Exchange Student

Hey wassup people this is Malte. Meite or Maite. however you guys would pronounce my name. :) I want to thank everyone for the great time I had here. I had so much fun playing for the Pirates soccer and swim team, but the best was my time with the tennis team. Thanks Jon for taking me on the trip down to Myrtle Beach. I can't believe that my 10 month are almost over. I know already that I will miss my American friends. Hopefully I can come back to visit Wheelersburg again. I also want to thank the teachers for helping to improve my English. I hope that I'll stay in contact with you people and maybe some of you guys want to visit me in Germany when you are around. I think we would have lots of fun.

The drama class risked being different this year. Instead of the traditional play performed first semester, they chose to perform various skits from "Saturday Night Live" and "Mad TV" for the high school students. For the second semester project, the class turned to the classics and performed "The Wizard of Oz." They took the show on the road to perform it for the students at Green Elementary School and Wheelersburg Elementary School.

## Jobs for Ohio's Graduates

The 2001-2002 Wheelersburg JOG program had a very successful year. Students in the program participated in community service projects while learning valuable job skills. Students completed resumes, filled out job applications and learned valuable leadership skills. Several students competed at the District Development Conference, while Anthony Perkins qualified and competed at the State Career Development Conference. At the end of the year students who completed thirty or more hours of community service hours were treated to a day at Kings Island. All of the students worked hard and with a team effort they completed over 1,800 hours of community service. Wheelersburg High School JOG had a service-filled year to remember.

# Scholarship Teams

There were a total of 90 students at Wheelersburg who took the challenge of taking the annual Ohio Tests of Scholastic Achievement. Students were selected by teachers or volunteered to take the exam in various subjects and levels. Preparation began early in the second semester and continued until the first Saturday in May which was the testing date. Many students prepared independently and some met with sponsoring teachers on a regular basis to study. Wheelersburg High School students tested individually and also compiled a team score as they competed against students in the other districts throughout the state.

# Key Club

Key Club is an international high school organization with members dedicated to service and is sponsored by Kiwanis International, a community service organization for business and professional adults. Because of the close relationship between the two, Key Clubbers and Kiwanis members often enjoy fellowship while cooperating on projects that benefit their communities as well as themselves.

We, Wheelersburg High School Students are vitally interested in the future of our communities. We realize that only through cooperation on all levels can we improve the places in which we live. As future leaders, we have a responsibility to our parents, to our community, and to ourselves. As Key Clubbers we have readily accepted that responsibility.

The lead in "Pinocchio" was played by Diane Moody, and Garrett Williams (Shrek) and Ken Marotte (Donkey) starred in "Shrek". The Spanish IV class wrote and filmed a soap opera called "La Vida Social" ("Social Life"). The French III class put on a hilarious production of "Cinderella", with Missy Danzer playing the lead. All of the French and Spanish classes made projects such as backboards, models, maps, pinatas, and god's eyes. All who attended enjoyed themselves and learned a great deal, too.

There were fourteen members that made Scioto County Honors Choir; they included Julie Allen, Jessica Brumfield, Heather Morrison, Cara Perry, Jessie Seeley, Brooke Emmett, Nancy Keller, Diane Moody, Ana Skaggs, Johnpaul Adams, Kevin Gulley, Michael Sparks, Adam Carrington, and Aaron Sturgeon.

# Football Homecoming

Once again, the Wheelersburg High School student body selected an exceptional Homecoming Court. Set to the theme of "Yesterday," this year's celebration was a wonderful experience for all current and former alumni. The 2001 Football Homecoming Queen was Missy Danzer. Her escorts were Billy Dever, Dustin Winebrenner, Andrew Burleson, and Boyd Bailey. As the queen and her court were introduced to the exuberant crowd, the band played the theme song "Yesterday." After the game, the students joined in the celebration at a dance held in the gym. The night was indeed a victorious one, especially for the queen and her court.

# "Cinderella"

The WHS Vocal Music and Drama Department presented Rodgers and Hammerstein's musical "Cinderella." They performed matinees for the elementary and high school students and gave performances for the community on September 29th and 30th. Their version had a different twist to it as compared to the usual Cinderella story. It began with Cinderella's great-granddaughter telling the tale to her servants. There were also five evil stepsisters instead of two. The lead roles were played by Jessica Brumfield (Cinderella), Adam Carrington (Prince), Julie Allen (Fairy Godmother), Ken Marotte (King), Nancy Keller (Queen), and Jessie Seeley (Stepmother). There were special props brought in including a moving carriage and rotating backdrops. Overall, the performances were spectacular. A big thank you goes to Mrs. Taylor, choir and drama students, and the many people who helped with this amazing performance.

Madam's Been Murdered; Tea Will Be Late was yet another successful Junior/Senior class play. It was a British murder comedy, which took many hours for some of the cast members to practice their new British accents. The entire play was based on a ghost monk named Sir Jeffrey. At any moment he was referred to, an organ chord sounded. The residents and paying guests of Houndstooth Manor wondered who the murderer of Lady Fenster's (Erin Bussa) sister was. Who could it have been? The butler (Aaron Sturgeon) or Matilda Trent (Sarah Boll) or maybe the American couple (Justin Clark and Gerirose Givan)? The real murderer ended up being Mary's doctor (Dustin Winebrenner), who wanted the deed to Houndstooth Manor. Advisor Mrs. Oppy was pleased with the performances of the cast and crew.

# NHS Inductions

After months of anticipation, National Honor Society inductions took place on November 28, 2001. This year, the current NHS members truly tricked the student body on induction day by eliminating fake-out day altogether. The ceremony was held in the gym, where students, faculty, and parents gathered to watch the event. As each of the new inductees' names were called, their classmates became anxious to see who would be next. After being tapped, each new member went to the library to get their robe and meet with their family. One by one, the new inductees were escorted into the gym by their parents as their list of activities were read. After lighting the candles of Leadership, Service, Scholarship, and Character, the ceremony came to a close as new and old members gathered in the cafeteria to enjoy a reception and celebrate their induction.

# Mock Accident

On May 17, 2002, the morning of Prom, Prom Committee put on its biennial mock accident with the help of local authorities. Juniors and seniors watched as Jay Spaulding, Ryan Hickman, Sarah Boll, Jill Queen, and Mr. Schwamberger recreated a collision resulting from drunk driving. In a matter of minutes, paramedics arrived and began stabilizing the victims. They worked quickly, using the Jaws of Life to cut Sarah and Ryan out of the car. Jay was arrested for driving under the influence of alcohol. The mock accident impacted students by showing them the first-hand effects of drinking and driving in hopes that they would remember the possible consequences later that night.

Jill and Jay struggle to get out of the car when the paramedics arrive (Mock Accident).

# District Celebration

On February 26, 2002, the entire Wheelersburg School District assembled at the high school to celebrate the result of the 2002 Local Report Card. We received a score of 22 points out of a possible 27, which puts us in the "Effective School" rating. Over the past three years, we have moved from Academic Watch to Continuous Improvement to Effective, which is a tremendous accomplishment. The band played the Star Spangled Banner and the Fight Song to kick off the celebration. Each grade level had a song or cheer to show off their spirit, and all students and faculty wore orange, black, or white. Students had a chance to participate in an essay contest with the prompt "We are an effective school because..." and winners were chosen from each grade. There was also a door decorating contest in which the winning classes received a pizza party. Thanks to the enthusiasm of all involved, the District Celebration was a huge success.

# Basketball Homecoming

For weeks the excitement grew as the 2002 Basketball Homecoming quickly approached. The girls were all prepared and anxious to be introduced, yet as they walked into the traditionally packed gymnasium, a few butterflies couldn't help but be felt. As each of the attendants and escorts moved across the gym floor, Pirate Pride could be felt by their parents, the student body, and the community. Then the moment we had all been waiting for arrived, and Captain Andrew Burleson escorted Homecoming Queen Micah Riffe through the gym. After the Homecoming game, the student body waited excitedly for the dance to begin. When it finally did, the fun began for everyone. The majority of the time just flew by, and students didn't want the night to end. By the end of the night, everyone was laughing and smiling at the memories they will have forever.

# Prom

The Wheelersburg High School prom was held on Friday, May 17, 2002, at the SOMC Life Center. It was a night to remember for all juniors and seniors. The theme for this year's evening was "A Dream Come True." The chosen colors were dark blue, light blue, and silver. The students spent the evening dancing, socializing, and capturing memories that they will never forget. Students had spent many months preparing for this special night, choosing their attire, making traveling arrangements, and dinner reservations. The After Prom, sponsored by the juniors' and seniors' parents, was held at City Limits. The activities included karaoke, sumo wrestling, bouncy boxing, laser tag, bowling, ping pong, and arcade games. Several thousand dollars worth of cash and prizes were given away throughout the evening. The WHS Prom of 2002 truly proved to be a huge success that everyone enjoyed.

We think about the past  
and our little girl we see  
kindergarten, grade school, jr.  
high  
and now a graduate you will  
be.

We look back at the pictures  
of all those grade school years,  
holiday parties, and musicals  
that brought us joyful tears.

Then onto jr. high  
which made time pass more  
quickly  
ballgames, dances, and all  
that fun

that makes our life so busy.  
Oh no, we didn't believe it  
those high school years were  
here

one thing we didn't think  
about  
was Graduation in 4 years.  
Now time leaves us no choice  
but to look upon the past  
Yes time goes by so quickly  
our kids grow up so fast.

We look at all the videos  
we have taken of all your  
friends

We laugh, we cry, we  
remember.  
as your senior year now ends.  
No matter what you were  
doing  
throughout the past few years  
We always were there by your  
side

with a smile and dried your  
tears.

So today we want to tell you  
this

that we are so proud of you  
and Mom and Dad will love  
you

In whatever you may do.  
We Love You Micah.  
Mom and Dad and Nick

Carrie Bolin

You are truly a precious gift  
and a joy in our lives. We  
have always been proud of  
you and everything that you  
have done. You have never  
been a source of worry to us.  
Remember what you have  
been taught & use it wisely in  
everything you do.

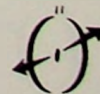

Love,  
Mom, Dad, & Mamaw

Jade Reanna Howe

Words cannot express the love,  
the pride, and the sadness I feel  
when I see my tiger lily all  
grown up and eager to face the  
real world. I pray for God to  
guide your footsteps and your  
heart wherever you go and  
whatever you do.

God's love and ours always,  
Mom, Steve, R.J., Rob. & Cleo

To our fourth generation grad,  
Unless we take a chance or two  
in order to begin,  
There's nothing we can hope to gain,  
no prize that we can win.  
We must accept uncertainty,  
must set our doubts aside,  
Be brave enough to risk a loss  
or setback to our pride.  
We should not be afraid of change,  
nor be afraid to dare  
If we just take a chance,  
Life holds rewards beyond compare.

From, those who love you
