Principal's Message

This book is an example of the fine work our young people ARE doing. The lessons learned while working with others on a project of this kind are an invaluable part of the educational process. I congratulate the 8th Grade, the Annual Staff, the Faculty And All who helped to make this book possible.

Bank Day

A savings project was started at the Security Central Bank this year by Mrs. Young for the students of Lindsay School.

"Bank Day" is held every other week. At this time the students bring the amount (50 cents or over) they wish to deposit, to school, and the money is sent to the bank by Mrs. Young. Each student that has a savings account has his own bank book which is sent home with him every six weeks with his report card.
