# Principal: Kevin Lloyd

We have been lucky to have Mr. Kevin Lloyd as our principal for 18 years! He really enjoys being a principal, and his favorite part is when he gets to deal with kids one on one and having personal discussions. Mr. Lloyd absolutely loves getting to go into classrooms and talk. However, not even in his wildest dreams did he ever imagine that he would become a principal, he thought that he would always be a teacher. Mr. Lloyd attended Oak Hill Highschool, and went to college at Rio Grande. Now he has three kids, two boys, one girl. His hobbies include walking dogs, working out, reading anything about history, reading the Bible, and watching sports. His favorite foods are steak and potatoes. Mr. Lloyd expects the students of MMS to grow academically, but also emotionally as well. His advice for the students is for everyone to realize their full potential, gain confidence, and go for their goals.

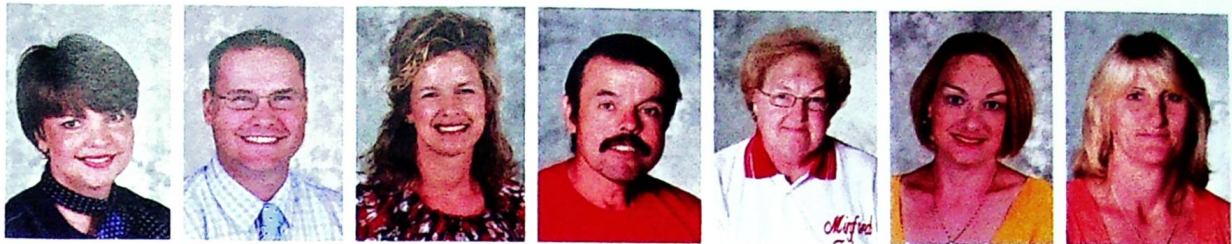

# Assistant Principal: Summer Picklesimer

**MINFORD**

This is Mrs. Summer Picklesimer's first year being an Assistant Principal, and her first year at Minford! She used to teach Language Arts at East. We are very glad to have her here. Mrs. Picklesimer loves being at Minford. She was surprised at how close the staff and students are, like one big family. Her favorite part of being an assistant principal is getting to interact with all the students, and getting to know them better. She really enjoys going to students extracurricular activities, such as sports. She also likes talking to students one on one, and talking to the staff. Mrs. Picklesimer attended East High School, and went to college at Ohio University. She now has two kids, one girl and one boy. Her hobbies are singing, reading a lot, playing Rock Band, and running. Her favorite food is grilled zucchini. Mrs. Picklesimer wants all the students at MMS to love learning. She expects them to achieve at their highest level, and meet academic and behavior expectations. Her advice for the students is to be a life long learner.

# OHIO MODEL UNITED NATIONS

Ohio Model United Nations is a three-day global education simulation experience that allows students in grades 6-12 to learn about the complete operations of the United Nations and its role as the world's largest international peacekeeping and humanitarian organization. Through the process of role-playing, students become delegates of a selected nation in order to write, present and debate issues affecting the nations and peoples of the world. Additionally, students present culturally based talent, participate in global education contests and debate current issues from the agenda of the United Nations

Minford Middle School had three groups:  
Samoa- Abby Fuhrmann, Olivia Thoroughman, Ethan Lawson, & Cody Martin  
Mali- Jared Howard, Matthew Parker, Kenton Gullion, RJ Thacker, Samantha McLaughlin, Mikhalea Roe, Hannah Heimbach, Grant Piguet  
Tunisia- Makayla Adams, Abbie Ridout, Emily Caldwell, Katie Singer, Megan Evans

Samoa and Mali advanced to the next level with their resolution, and presented it to all nations during the General Assembly. Samoa also did a great job presenting their talent in the Talent Showcase.
