DO NOT CIRCULATE

The Yearbook Staff will SCAN THE YEAR to spotlight the high points in 1960-1961. The front door is open as the students begin a new year in their education on September 6. Whether the high points happen in the classroom, hall, office, gymnasium, or on the football field, we will be there. Pleasant memories will unfold as we SCAN THE YEAR.

F. H. A. began a successful year with the initiation of twenty-one new members. The club had a variety of activities this year including the district meeting at Paint alley. Two demonstrations were shown: One from the Ohio Valley Gas Company and the other from the Singer Company. At the end of the year a group went to Columbus to the state meeting. Included in this group were four voting delegates and Brenda Frazier, a member of the state chorus.

Gail Harrison was on the state projects committee. The committee gave a report at the state convention. In this report Gail portrayed a Lebanese man.

Have you ever been to a funspiration? Well, come along with me and join the fun. That's right, you're not seeing things. The boys are lying flat on the floor with huge aprons on them. The girls have doughnuts tied on a long string and are dipping them in a dish of chocolate, and feeding them to the boys. Messy, isn't it! Now, sit down and we'll blindfold Dianne. She's going to put lipstick on you. Of course there's a time limit of five seconds to do the job neatly. It's your turn to get even with her now. We'll blindfold you, put shaving cream on her, and let you shave her with a spoon. That's only a few things that happen at a funspiration!

Now let's go to a Bible Club meeting. There you'll see Bill Stevens with his musical saws--Mama Saw, Papa Saw, and Baby Saw.

Would you like to hear some quartet music? All right, the Bible Club Gospel Teens Quartet is ready to sing.

Did you enjoy your visit today? Come back next week and we'll have a weiner roast and a homemade ice cream party.

# How Much Is \$165,000,000? . . .

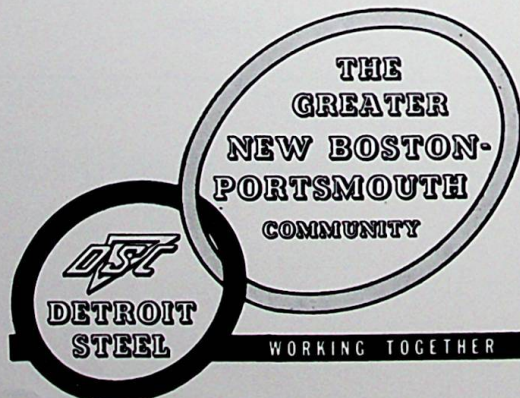

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over \$165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent \$225 every single day during all those long years, he would still not have spent that much money.

One hundred and sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry . . . plus the "plowed back" earnings of the company . . . all that money, within the next few years, will have been invested in the future of the Greater New Boston - Portsmouth Area to provide jobs and security for its citizens.
