# 2013 Miss River Days

First of all, I would like to give a huge thank you to the student body, staff and community for the immense amount of support you have given me throughout my journey as not only Miss Minford, but also as Miss River Days. It is hard to fathom my year as queen is coming to an end, but it has been the most unforgettable year I have ever experienced! Over my reign I have traveled all around the state of Ohio educating individuals on the River Days festival. This opportunity has opened an abundant amount of doors for the future. But the most important piece of information I have retained from this would be to never let anyone or anything defer you from achieving your dreams, if you have a passion for something never let that passion disappear. And for one last time I am proud to say that after a long 27 years, the glory of the crown has finally been restored to the Mighty Minford Falcons!
