**WHEELERSBURG  
ELEMENTARY SCHOOL  
Wheelersburg, Ohio**

# In Memory of

## Tribute to Dan Pace

*Dan Pace was one of those very rare individuals who was admired by everyone he met, and loved by everyone who came to know him.*

*Dan would have been a credit to any community in which he lived, but it was Wheelersburg who was fortunate enough to have had him for nearly all of his thirty-five years. He touched the lives of so many people during this time, for he gave of himself to every boy and girl he taught in our elementary school for fourteen of those years. He was truly a master teacher, for he never lost sight of the needs and the potentials of each individual child he taught. He was a fine young coach, for he knew how to challenge, and still keep winning and losing in its proper prospective.*

*Dan's influence, however, did not end at his classroom or gymnasium door. He was active in his church, and enjoyed teaching his Sunday School class. He knew how to love, and he loved his family and the community in which he lived. He knew how to respect, and to be respected by all those associates with which he worked.*

*Our community is truly a better place because Dan Pace has lived as a part of it, and all of us are better individuals who were fortunate enough to have known him.*
