7 Tues April 7 1803

A cold windy
day. Spent some
time all day
in the house

cleared about
all day.

ella by feeling
bad with a head
cold.

George carried
the rest of
his papers.

Wed April 2

A cool day
I mowed a little
George came and
John and I all
cleaned off in
the pasture
Ella, washed
a big washer

Thurs Apr. 3

A nice day
George worked
last night
George and
John cleaned
the area
I mowed grass
and. The men
we hauled in
a sack of
hay
a load of
hay

Fri. Apr 4
A fun day
Homer
I saved gear
and gold
for Bill
Bills 3 by potato
and 6 by potato
to Mrs Phyllis
Ella went up
to school
I hauled a few
wood
Jimmie George
went on the
island.

Sat Apr 5
A fun day
to front this morning
I got ready and
down to
Smith at Modine
Left George and
Jim clearing
The wind up there
about 3 o'clock
all well and
feeling good
Bar with Jean
Ruth
He talked till
after sundown

Sun. Apr. 6,
A fine looking
time.
Rained a little
last night
and then began
showering and
hailing this
afternoon.
Smith and I
hitched his roadster
in and took a
little drive.
She must find
the intended
on coming back
home but it
rained to match

Mon. April 7.
A cool damp
time. Rained a
little.
Smith ran at
me to sell his
horse and so I
bought her
a nice 3 year
old saddle.
Cam gave a drive
to get started
for home at 10
and arrived home at
12:30. Lay over
him after 10:30.
He got ready
and went down
the election, voted
and came back.

June 24th 8.
A cool summer
Began to rain
by noon and
stopped till
evening then
set in to rain
a bad one
by 9 & worked
at the fence
till noon
& mended harness
the rest of the day
Pa Casill came
in on us.
The two babies
took sick &
vomiting and kept
it up all
midnight

Red the
Some rain but
yesterday
Pa Casill must
have
babies but
better.
I have changed
around
one thing
but now better
this evening
Jim left
for home
yesterday

Thurs Apr 10
A fine day
I saved
grass & Cloney
sped till noon
then worked
the clock
George cleared
till noon
then dug
post holes
and fixed
fence

Fri Apr 11
A fine day
A little rain
but cleared off
I saved Cloney
sped till noon
then made
hills and hoes
in the garden
and dug
other boxes
George hauled
manure all
day
Ella washed

Sat. Apr 12.

A fine day
Harmer some
mud
George hauled
measures all day
and grass
seed. Quills
then fished fence
and then went
down with
the trustee to
decide the road
for Joe Call
but Joe & Pa
compromised it
and settled it.
A good thing

Sun. Apr 13.
A fine day
I started
heard off for the
the flight for the
mule last
fall. I look
good.

We got ready
to go down to
Pellie but the
committee
came around
to the camp
back and they
thought they
Pellie should
I took a walk
up the creek
heard a yuck in

Mon Apr 14
A big part
of the boys
George & a
to plan for
oats, all day
Lynn & the
working 2000
and 2
Hammie has
been pretty
bad sick but
seems better

Tues Apr 15
A fine day
A big part
George & a
planned for
oats, all day
Ella & the
stomach
Hammie
lots better

Wed. Apr 16
A cloudy cool
day
Edwise plows
all day
I plowed till
noon then
went to mill
at 12 o'clock
Hamm saw
by post
munch. with

Thurs. Apr 17
A fine day
George kindly
arrange to loan
the plow
I sowed oats
till noon then
hauled.

Sun Apr. 20.
A fine day
I rode over
home to see
about the cattle
made arrangements
to have them
bright ones
to Corill's.
I got back here
late P.M.
Hessin's boys
stayed with
Ella and the
pappis.

Mon. Apr. 27.
Raining morning
but did not
rain much.
George came in
at noon and
went to plowing
I cut some
wood and
choreed around
till noon
then rode around
to find a place
which I got
down at the
Burns

Friday Apr 22
A very warm
day. Warm
weather now.
George and I
played all day
by early work
to lunch.
Both played.

Saturday Apr 23
A little rain
this morning
but made a
nice day
which
we played till
noon.
Afternoon
we were had to
fight till
the rest of the
day.
A fine time
to pass.

Thurs Apr 24
A fine day
Light frost
The purchased
plowing for
oats
I took Mr.
Bennett's plow
home.

Chased late.

Fri Apr 25
A fine day
Snowed late
and harrowed
George plowed
Tommy Lewis came
down and brought
a box of oats.

Sat. Apr 26
A terrible windy
day Began late
night and lasted
all day
I have chored
and found good
Have a camp
that makes
me have the
dumps.
Mattie was down
and eat dinner
with us

Sun Apr 27
A fine day
did not get
up till late
was about ready
to go to Bill
but for purpose
of staying here
at the camp
along and a lot
awhile. Then
Mattie came
up and she
appeared to be
thru me a lot
and got a
lot of
her and a
in and a lot.

Mon Apr 28

A cool morning
same frost
then a cool
rain set in
about noon and
mizzled along
till night.

George finished
hauling in
oats.

I went up
to the Spruce
to see Call
then to Bybit
and then home
in the rain.
Got back to
take a lead
had to turn back

Tues Apr 29

One of the heaviest
rains fell this
morning in
several places.
The creek is out
over the top
and washing

formed several
pools.
I got up early
and was a hard
to start for
with a load
of hogshit.
had to turn
up.

Wed. Apr. 30

A great day
at the barn.

I got our hog
leaded and
rueck out for
Lynn, while I
handed about
now and then
all right and
butcher, B. Sanden
is now to receive
them. They at 6 1/2
for the trough
6.142 2 of mice
held for the bank
I got 100 lb of
wheat and 200 lb
of the potatoes. This
for the winter I

George Kurland
 Apr 1902 108
 1/2 load of hay 800 lbs. 3.50
