

July 1897

~~Wed. July 7, 1857
A very warm day
I cut wheat
all day
Billy Shepard
helped
Mason plowed
corn till paper
tipe and then
helped crackle~~

Thurs, July 7th
Another warm
day. Rained a
small shower
then finished
cutting wheat
and did a
lot of hoeing
and planting
corn again.

Fri, July 8th
A very warm
day. Went to
the mill to
get flour,
sawed, buck-
wheat and
hard wheat, and

Sat July 3.
An extra warm
day.

He worked until
noon.

Charles & Harim
went to the
picnic.

I fired around
the rest of the day.
Gene took the
buggy and
went over to
Harrisonville
to a picnic.

Sun. July 4.
An extra hot
day.

I layed around
home all day
done nothing but
fight flies.

Gene not yet
returned from
picnicing.

Old Billy Beans
came up and
only stayed a
little while.
July Chappin &
Emmie Rayburn

were over a
little while.
Bill took Gene's
mules and drove
to Postum to meet
his uncle & cousin.

Mon. July 5.
A hot forenoon
Bill started to
stack wheat
I helped

Run two teams
Myin gave out
before noon.
We got one Rick
almost done
when a rain came
up and stopped
wheat stacking
We finished the
rest of the work
I finished at a
door to the
dining room

Tues. July 6
A cooler nice day
Searns to get
to plan.
The third corn
and set wheat
out to dry and
piled up in woods.

Wed. July 27

A very warm day.
We stacked wheat
all day. 3 teams
finished stacking.
A very hard con-
me.

Thurs July 28

A very warm day.
A small shower
came up from the
East about 3 P.M.
We plowed & laid
corn & potatoes
until the shower
fixed fence. The
rest of the day
Gene made his
return from Sinner
Creek.

Thurs. July, 10
A hard rain this
morning before day.
We took the straw
pulp down
and threw away
and cut wood.

10
X
Sat. July
A nice day,
very warm
We hoed potatoes
and plowed
finished the
potatoes

11
12

Sun July
A nice fresh
Rained in the
after noon
to drop names
to the buggy
over to the
buggy
Stayed all day
Had a good
time
Mrs. Correll is
lots better

12
13

Mon July
A nice day
Rained a little
& got back
over home at
noon
Saying that Jenni
is here.
Cut grass
this afternoon

19

14

Tues. July
 A nice cool day
 I mowed most
 all day
 He raked &
 shocked hay
 Plowed corn
 and hoed sweet
 potatoes

14

15

Wed. July
 A cool nice day
 Threatened rain
 He plowed corn
 and beans and
 hauled hay
 cut some grass
 and raked hay.

15

Thurs July 15
A cool morning
but warmed up
& cut grass
until noon
The rest of
the day
Put up a
meal lot of
hay.

16

17

Fri July
of setting in hours
damp & dry
The puped ahead
and the morning
and carried this
in food can.
The

17

Sat July 18
A ~~clear~~ rainy
day
The plow & car
Joppy & Charles
helped Bud
till noon
Rained most
all the after
noon

18

Sun. July 19.
A nice fine noon
but rained some
chance about 2 P.
At home all
day Read a
book most all
day
In the evening
Mattie Lillian
Laney & I went
up and eat
huckle berries

Monday 20
 A nice day
 The relative rain
 and rained a
 small shower
 at 10 P.M.
 We cut and
 bound oats
 all day.
 Buntan helped
 all morning
 when his
 wife called
 her he had
 had to go

Tuesday July 21
 A nice day
 Damp this morning
 We cut oats all
 day. Charles J. &
 Buntan & John
 bound the
 harvest followed
 corn all day.

21

Wed. July

22

A rainy night
and a rainy
forenoon

The oranges
started wet.

Cleared off by noon
so we got out to
a half day.

Finished cutting
with the scythe.

22

23

Thurs. July

A nice bright
warm sunny
day

The bird plowing
corn but too wet

Marion mowed
grass till noon

The spread out
the wet has

and by night
had to plot to

put up with
Have put up

some mice has

Fri. July 28.
A nice day until
evening
Rained some
in the evening
and hailed.

Sat. July 29
A wet & damp
morning
Charles Phillips
and John Kinn
went home and
Bertha Breen
went home.
He fished around
all day
Walter & Bill
went out to
Smith's, this
evening

Sun. July 25.
A damp forenoon
but cleared off
at home all
day. Chord and
spool most all
day.

Walter & Bill
returned this
evening.
Bertin took
his woman
over to his
mother's.

Mon. July 26.
Another rainy
day. I joined some
best ones to
Howard, Ted,
and got a
swarm of bees
that was cut
out of a tree
which I put
out. B. H. &
Ellie, W. & a
Carnacle just
came down to
back spring.
Took home a big
lot of berries.
W. & T. cut
oats this after-
noon.

Tues July 27
Another damp
forenoon.
Herb & I picked
berries till
noon & found
a bee tree
Harri cut oats
till noon.
She cut the hay
out and got
them down in
good shade

Wed. July 28.
A nice dry day.
Harri & Buntin
went and spread
the oats out to
dry and bind
them.
I cut a pile
of grass and
lacked dinner
& cut oats
with the horse.
We got things
apart & packed
up and closed
off soon.
Wathi & Bill
has got ready
to go to Tami
to night.

Thurs July 28.
A machine
gearing gear
be finished the
oath and put
up some hay
Began to cut
mud after supper
I cut until
it got so dark
I could not see
how to drive
The machine

Fri July 29th
Another nice day
I finished cutting
grass by noon.
He started to sleep
at all up after
dinner
Kearney & I hauled
in two loads

Sat. July 3^d
A very warm day.
We finished up
the hay harvest
to day and got
the oats in good
shape in the
stack.

I took the buggy
and drove out
to Mr. Corbitt
and there
by sundown
I had all run
to the on the
mound.
