Mon. Jan. 7 1855

A quiet day, very
warm, but
at last under foot
A good sized
group of
at home all day
We had a good
time together
Dinner, but not
of it, but
left at 10 o'clock
Dinner at
home a little
while.

A very good
meal
I had been
about
taking care of
the stalk
not required.

Mon Jan 2
Cold this morning
Went to get a
thing mending
but was unable
up and was
stuck off by
D. Chas. got a
bag of a load
of manure out
and a load of
wood for
Dla & Kikko
no day well.

Tue Jan 3
A swam damp fog
showing out again
and in our sailing
part
to chased a good
sized a sled to
shul, hauled on
and hauled on
load, then got
up. Berke got
up and had
had lunch in
Jungla
not much else
done but Chas
Kalin has some
more work for
Pa then mended

Wed Jan 4
A stormy night
at night. Wind began
about noon. and
has got quite
frightful
Still no snow
Left the sleds
the pack trail
make
I have checked
around

Thurs Jan 5
A nice day
Cloudy and warm
Left the hay bed
holes, all day
with 4 quills
to the south. Sleds
down the bank
10 am down
great. He is back
on a run, to
the pack trail
the wind is
stronger. has opened
the snow down
a big wash
I got a lot of
work done.
Some report ones
to get the
with the sleds
on a run.

Fri. Jan 6
A wet, sleety
snow & rain fell
last night
and has muted
slatted floor and
unwired about
all day.

Loft came up
and we settled
up. I bought
his gun.
I have been
about half
tending of the
stalk.
A. had time
on stalk.

Sat. Jan 7
A cold morning
12 degrees. felt
free, but not
enough to
and made a nice
day. I choreo all
day. Got toward
about 10:30 a little
went for tub
but additional man
with a can up
this evening as well
I had had time
fishing back to
day.

John Day 8
A quiet day
Cold thin snow
17 below zero
but was not at
the day's work
got up until
10:30.
Chores all day
Ella & I with
pebbles went down
bank and took
dinner.

I found a snake
system and got
the gun and
shot it.
Ella & I have been
footing up our
expenses and found
and find the

Thurs. Jan 12

A damp morning
got a pair
of young birds
to look a chance
and make a
nest for the
young of the
bird. It is a
very small
nest but
just as good
as any I have
seen. The
nest is in a
cave and is
made of mud
and feathers.
The birds are
very young
and are
just hatched.

Fri. Jan 13

A very warm
day but
the creek
is very full
and I saw
a lot of
water. The
birds are
very young
and are
just hatched.

Sat. Jan. 14

A clear, bright day
with a few light clouds
the sun shining
for several days
temperature the
morning was 62
and before noon
it had felt 80
today. but it got
warmer and made
a quiet day.

The creek has been
out over the bottom
ground all day
I have finished
labby and
cleaned out a trap
of which I got
a few mice and
Ella has the
usual all day.

Sun. Jan. 15

A clear bright
morning and
Ella a little
catt. night.
It has been all day
warmer and
available.

I have checked
around the
at the time
Wasson's car
has been saying
I was as if she
has had the car
Ella & I have
been talking
old times and
things about
I had time
but a better
the fact.

Apr. Cam. 16
Hydrogen lamp
day. Rained a
little.
I hauled pack
on the wagon
up to the pass
got wet and
had to change
socks.
Ella helped
unload two
loads. I
hauled 4 loads
she has done
a man's job
for the party
by the chimney.
We have cut back
our old supplies
a little and are
now ready to go.

June Cam. 17
Another dambo
day.
I hauled
3 loads of packs
and chisel.
Ella helped a
little and
filled down
for the camp.
Ben came
back.

Wed. Jan 18
A cool cloudy
day
I hit some a
little and
I got a little
I have had
today all day
I finished
the paper that
was in the
way of the
Creek
I have been
having the car
get the Baker away
over Chancing but
had to go
I got to work a
chance again.

Mon. Jan. 30

A cold morning
and stayed cold
all day.
He did not get
up until late
Lain & Florida till
later. Pa. Crull
& I went down to
Sandyville
to get what
Walden area ^{\$2.50}
and ^{\$1.50} about
Stevenson.

We then went
over to town
I paid my taxes
\$6.00. Then my
account in to
to look at
Came back
about dark.

Tues Jan 31

A nice little snow
on this morning and
colder 10 degrees.
Pa. Crull & I struck
out for the west
side to a sale
where we arrived
about 11 o'clock and
stayed until it
was over with
Things sold well
I took Belle for
Mr. Swanby to see
He seemed to be
well pleased with
her but does not
want to buy first
now. He got back
home in good shape
It began to snow
again. but cold.
