

Sept 1858

Full.

Sept 1, 1896

A nice cool day
Threatened rain
last night but
failed

We have thrashed
430 bu. of grain
to day.

Had a good deal
of trouble with the
engine

Chas. Philips got
his ankle fastened
out of place

Had to get Mac
Dopp

The machine
to Malvern

Wed. Sept. 2.

A nice cool day
got at night.

I have a very
raw throat.

A bad cold
of the head & throat.

Spent the
morning

fixed around
and cleaned

up after the
machine.

Thurs. Sept 3.

A damp showery
day.

Rained two hard
showers. This full
morning.

Stayed slowly
and mostly the
rest of the day.

I finished again
picked grapes.

Gathered beans
fixed fence

and chopped
some wood.

Have a peaceful
cold.

Sat. Sept. 4

A nice day
Rained two good
hours this AM.
Rained until
noon.
Gene, I & fixed
hog pen and
got ready to
go to the beach
Our boat was
all right
He had a good
time
Birds not
back until
2 at night

Sat. Sept. 5
A stormy evening
Did not get up
until late
I fixed a nickel
Got ready and
took the steam
to the reefers
went down to the
boat. Got John
Effert, Ada and
we all started
for Liverpool
We stopped several
places along the
road and finally
stopped and stayed
all night at the
old Iron Gate
place.

Sun. Sept. 6
A nice day.
A boat.

Rained last
night.

After a good deal
of sun and
a clear sky to
the stable and
early rain.
Took tea, breakfast
and drove up to
Haverhill.

Got dinner and
then after dinner
we took a short
ride.

At 6 P.M. I left to
visit my home
while not around
the river.

Mon. Sept. 7
A nice day.
Clear cool.
By then had a
fire in the fire
place.

Hay is done
with a
sell the rest and
had cold.

I finished and
finished the
a close for the
chance to get
come back on
the job.

Tues. Sept 2

A nice day

Conf.

I hauled manure

most all day

Hay palatry

at hill

They had a session

old time up at

our school house

to see good a

speech and every

heard.

Bro Cadott of Oak

Carry we not

took the gleasons

Preacher Hill &

Stevens came to

stay all night

and went up to

the speech with us

Wed Sept 3

A nice day

tharmed all the

after noon

I hauled manure

until noon

but millet with

the machine the

east of the of the

noon

man is under the

weathery with a

terrible cold.

Thurs. Sept. 10.
A nice day
Barn during the day
A little later
This morning
I cut millet
all day
Chaely & Cull
went home

Fri Sept. 11
A very warm still
day

wedges, spread
milled hay and
raked & shucked
it to day
Cull & Hai again
left for home

Sat. Sept. 12.
A very hot
day.
Rained a nice
shower about dark.
Gene helped me
and Char Carter
hauled in the
mullet.
He hauled in
four loafs.
I drove Fannie
down to the Hill
in the car.
To the McKinley
Club meeting.
Owing to the
threatening of
the weather they
were but a
few. but a good
time.

Sun. Sept. 13.
A very warm day.
Gene & I drove to
Waverly to see
Mr. Corliss in the
buggy.
He showed us his
gals and me mine.
He had a splendid
time.
Left there by
half past 7.

Mon. Sept. 14
A very warm day
Bills lactated on
cut corn.
I cut 2 shecks
and then fired
squad of boys
with the Sgt. Davis
and Mr. Cox
Bought a new
saw of Mr. Cox

back until
late

Fri. Sept. 18
Threatened rain
but did not
rain but
little
to cut corn
most all day
went to school
down to the
held in the
McMurry
club playing
had a
very good
all seem to
be encourage

Sat. Sept 19
Rained a little
to plow for
what. Charles
Carr came
to spend Sat.
Sunday
be all right
up to church
but the people
did not come

Sun. Sept. 20

A good deal of
frost this morning
last did not a
bright day though
Charles & I
cut this morning
Gene & I got in
the buggy to
go to the house
of Mrs. Gifford
but on returning
Charles and
Gene a little
late not changed
any more
We took a look
at the Collet
tree and drove
up to Aunt
Phyllis
Charles & Gene took
a horse ride.

Mon. Sept. 21

A nice day
about 100 feet
I took Smith
down to town
in the buggy
I got several
things among
things was a
decorative cloth
angel badge
did not get back
until after dark

Tues. Sept. 22
I have cut
can most
all day
helped Bill
get ready to go
to mill
got dinner at
Watson's.
Mary Watson
was there
canning
for a week

Wed. Sept. 23
A cousin, big fox
cut all day
to hall. Carter
to cut can all
day
John Sever is
back on the job
of hauling
lumber from
the other side.

Thurs. Sept. 24
Another big feast
Boys & I cut can
all day.

Fri. Sept. 25:
A light feast
Boys & I cut
Corny all day
with boys and
went down to
the Club meeting
Had a quiet time
Several speeches
from home & park
Did not get in
until eleven
o'clock.
Old Buss has
a litter of pups
2 in number

Sat. Sept. 25

A nice day

No frost

Gene went to the
barble at

Warrington

Boys & I cut
most all day

Sun. Sept. 27

A cloudy day

Cloudy most all
day. Raining a

little today

and in evening a

little this evening

Gene back fresh

and

we have bus

at home all day

Boys. Bill & I

went out on the

hill after grapes

and hazelnuts

Charles Ceyll
came back to
haul

Mon. Sept. 28

A damp cloudy
day. Rained a little
while to Webster
this forenoon. To
see some practices
and get some
notions.

Boyd & I cut
corn this afternoon.

We cut 48 shocks
ten hills a row.

Tues. Sept 29

A rainy day.
Rained steadily most
all day.

The V. J. J. J.
arrived.

Mr. Trout took
the buggy
up after 10
while over
Rained in the
all the way.

Wed. Sept 30
A damp day.
Rained a
little
broke up last
night
