

FALCON

FOREWORD

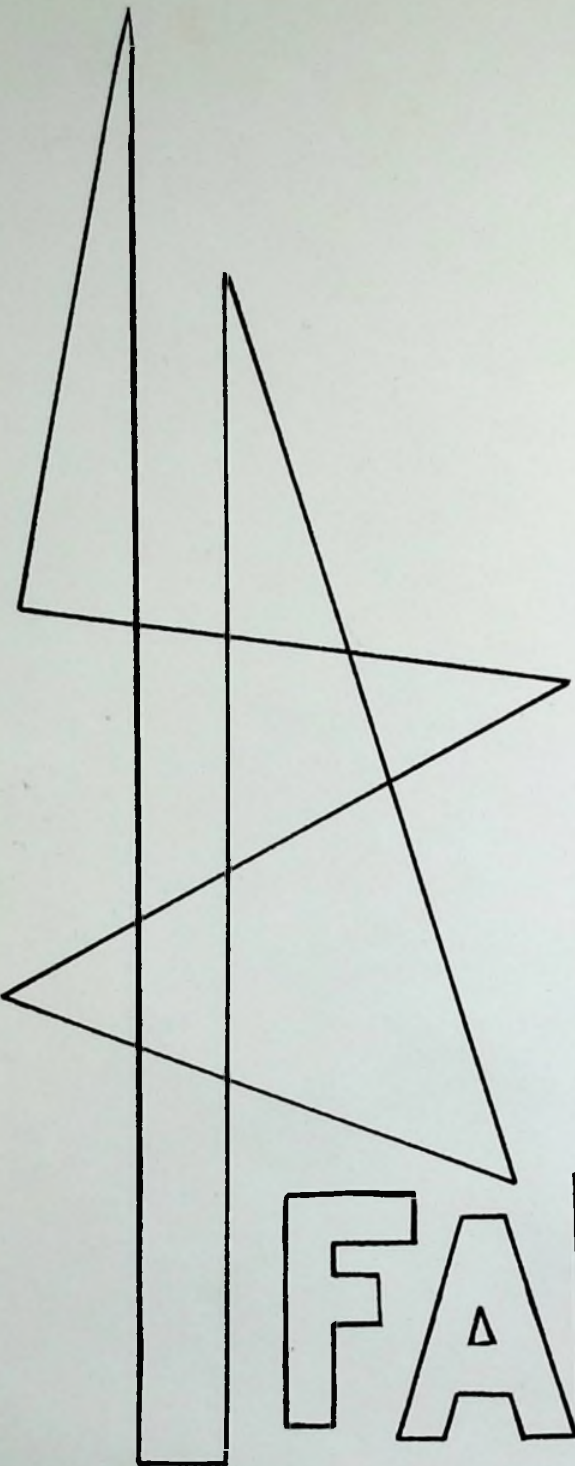

The pathways through high school are memorable ones. We hope that through this book, we have portrayed a span of these pathways to the future upon which each of us travels.

Education is in itself a wide and heavily traveled pathway. There are many forks in this pathway--each leading to some goal set by those who are traveling upon it.

Just as some roads are unpaved, so are some pathways to success unpaved. There are many rough and threatening sections. However, if the goal is kept in view, all difficulties can be surmounted, and the pathway will have served its purpose of furnishing a means of guidance.

We are proud of our faculty who are the guideposts along our pathway through high school. Without them our task would be futile.

With all these things in mind, we present to you the 1963 Falcon.

MRS. HARRIETT MARTIN

We the class of 1963 proudly and affectionately dedicate our yearbook, the Falcon, to you Mrs. Martin. You have inspired the students of Minford High School by your fine musical ability and wonderful personality. By encouraging the students to develop their talents, you have made their lives more enjoyable. Your music will always ring a note of cheer throughout our halls at Minford High School.

JIM SCOTT

MR. JAMES SCOTT

It is an honor to pay tribute to one who has become such a genuine part of Minford High School. His interest in students and his eagerness to help them have endeared him to all who have come under his influence. Because he means so much to so many, we the students of M. H. S. dedicate the 1963 Falcon to Mr. James Scott.

Excuse me, would you like to purchase a box of candy, bag of potato chips, a decal, or a ticket to a winter concert?" These were the many and varied questions that people in the community were hearing from the members of the Minford High School marching band. Many months of hard work and many hours of hard labor went into the purchase of the new uniforms. Although the Senior band members wore their new uniforms only once or twice during the season, they were proud to wear those new uniforms and were proud to say that they were part of such an organization as the Minford High School Marching Band.

Mr. Gampp, Adviser.

This volume evinces the fact that the Falcon staff eventually got busy and found that knee-deep in photographs, copy sheets, type-writer ribbon, and ad selling campaigns, could be rather enjoyable. We now look back and realize that the bickering, the panic sessions, the mounds of photos and paper, represent to us one of the high points of the school year.

HIS - HI-Y

LEFT TO RIGHT: Reggie Brandenburg, Mr. Hassinger, Duane Hawkins, Dave Hagerman, Mike Crabtree, Rex Williamson, Paul Vest, Roy Slone, Doug Williamson, Chuck Nelson, Charley Flaig, Gary DuPray, John Fell, Tim Burton.

They strive for personal integrity and self-discipline, they volunteer to perform useful community services.

YOUTH - IN GOVERNMENT

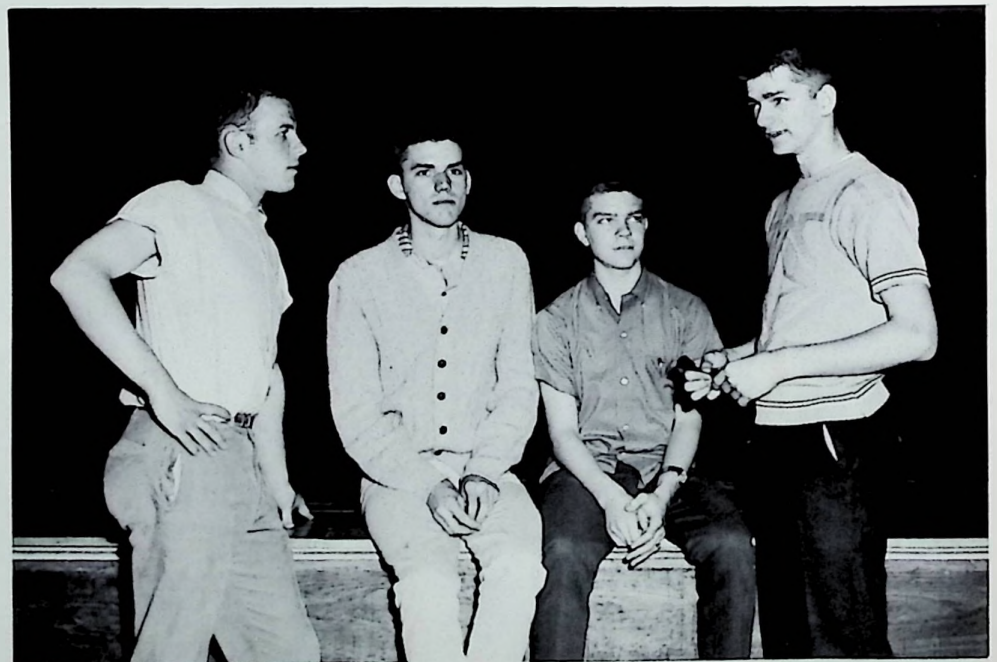

Reggie Brandenburg, Loveda Knore, Carolyn Tackett, Duane Hawkins.

Would you like to be a representative in the State Legislature and present a bill on the floor of the House? Four members of the Hi-Y and Tri-Hi-Y had this exciting experience last April. In a renewal of the Youth in Government program, the clubs spent their time carefully preparing a bill. Our representatives participated with other Hi-Y's and Tri-Hi-Y's from all over the State in the annual affair. Duane Hawkins had the honor to be chosen as an officer candidate. Duane represented this district, in running for governor.

BOYS' STATE

For ten days each summer American Legion Post 622, of Minford Ohio sponsors two delegates to Boys' State held at the Ohio University Campus. While they are there they learn the legislative processes of city, county, and state, government. Last year Reggie Brandenburg, and Duane Hawkins were selected to represent Minford. This year Mike Langdon and Richard Duplain were awarded this honor. We know these boys will benefit from this experience. Congratulations to each of you!

Did you know that, on the average Coaches in our school work 100 hours a month on their coaching duties at the rate of 50 cents an hour? Any man who will do this must be dedicated to the youth of America and must enjoy boys and want to challenge them.

We dedicate this page to our Coaches. The work with inadequate equipment and complicated schedules. Also, they deny their families time which should be spent with them just so the boys of our school may have a strong athletic program.

OUR THANKS TO YOU, GENTLEMEN!

A MESSAGE FROM THE EXECUTIVE HEAD

Since Edward H. Hall took over as Executive Head of M. H. S. the students of this school have yet to regret the fine and wonderful job he has done for the students and faculty. Often, Mr. Hall has given his advice which boosted many a faltering spirit.

Let it be said that as a friend, as a counselor, and as an Executive Head, the services of Mr. Hall are greatly appreciated.

TO THE GRADUATING CLASS OF 1963:

As you turn the pages of this book in the years ahead, may the faces you see recall to your memory the days that you studied, worked, and enjoyed together at Minford High.

The basic skills of education and the knowledge you have acquired should be used wisely to meet your future community responsibilities. In this way you can learn to live a full and fruitful life. May this life be filled with an abundance of success and happiness, but never without your faith in God.

Sincerely,

Edward R. Hall

PRINCIPALS

You can turn any corner, glance down any corridor and find our friend Mr. Everling. There is no problem too small for him to listen to and quietly diagnose the trouble. If he does not know the solution, you always walk away with the feeling there's someone who cares!

His personality reaches into the heart of each student. To know Mr. Everling is to love and respect him as a friend and as principal of Minford High School.

The poem below expresses the feelings that the elementary and high school students have toward Mr. Bennett.

The one who came to greet us
That first September day,
The one who's always helped us
In every sort of way;
The someone who has guided
And watched us to the end,
The one whom we'll remember
Our Principal and friend.

GUIDANCE COUNSELOR

WILLIAM CORIELL, CERTIFIED COUNSELOR

"I can't decide what I want to be," is a familiar cry Mr. William Coriell hears every day. Mr. Coriell, who is a graduate of Ohio University, Marshall, and Colorado Universities has been the Guidance Counselor at Minford for seven years. We appreciate the time and effort that he has expended, in guiding our future lives. OUR THANKS TO YOU MR. CORIELL!

Our school secretary, Mrs. Phyllis Sparks, is a 1948 graduate of Minford High School. After graduation Phyllis attended Portsmouth Interstate Business College. She began her work here in 1961 and has become very important in Minford's personnel. Phyllis's efficiency is very much appreciated by her employers.

THOMAS FORREST BENNETT

IN MEMORIAM

Thomas Forrest Bennett, of Minford Route 1, principal of Sunshine School died Thursday April 4, 1963. He had been ill since February 2nd. Mr. Bennett was born in Scioto County February 4, 1911, a son of Everett R. and Ada Shonkwiler Bennett. He was married to the former Roseanna Coles in August 1937. A graduate of Minford High School in 1930, he attended Ohio University where he was awarded his bachelor of science degree. He received a master of arts degree from Marshall University. Mr. Bennett had taught in the Minford school district since 1938 and for seven years prior to that in other schools in the Scioto County school system.

He was a member of Fairview Baptist Church, the Lucasville Masonic Lodge, Madison Grange, and the Ohio Educational Association and the Ohio Principals' Association.

Wanted Dead or Alive!

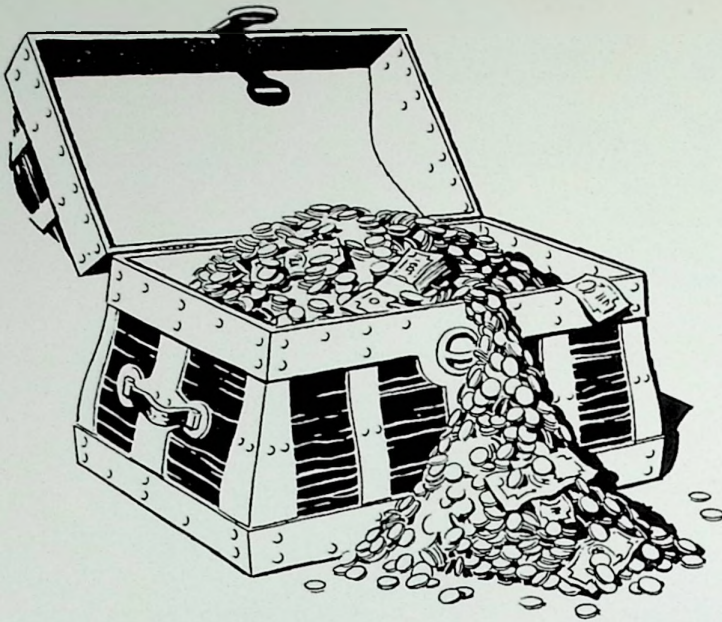

\$500 reward for the capture of Dirty Dan Collins. He is accused of child beating, tire stealing, dope peddling, and the selling of cheat sheets.

"DIRTY DAN"

Dirty Dan is 5 feet 11 $\frac{3}{4}$ inches tall, weighs 183 pounds, has black hair and brown eyes. Warning!! He is armed and dangerous.

We advertise ANYTHING!

How Much Is \$165,000,000?

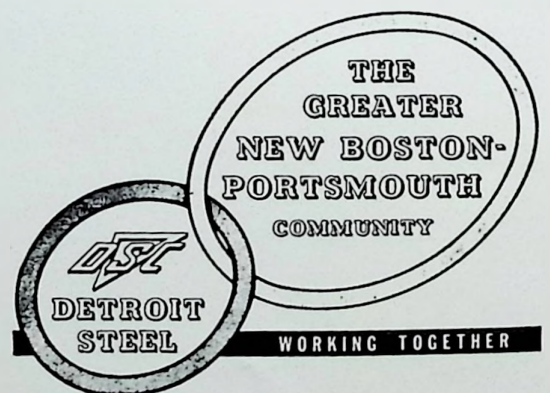

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over \$165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent \$225 every single day during all those long years, he would still not have spent that much money.

One hundred and sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry . . . plus the "plowed back" earnings of the company . . . all that money, within the next few years, will have been invested in the future of the Greater New Boston - Portsmouth Area to provide jobs and security for its citizens.
