Impressions

The students at Portsmouth High School respond very quickly concerning *Lasting Impressions* of their high school days. We create them with everyone we meet and everyplace we travel. Whether in sports, clubs, academics, music, or community involvement, we excel at all our endeavors, creating *lasting* memories that we will carry with us forever.

Never will we remember the same events the way we each remember, but the TROJAN will help us to remember faces, smiles, emotions, and friendships that helped us through the school year of 1992-93.

How can we forget the hot days we endured at the beginning of the school year and the cool air and no sun for the end of the school year.

How can we forget the fall with the great sport events, the fall concert, the beginning of club meetings, the decisions about prom and the fundraising!! Or the front page of the *Daily Times* with the Trojan football team with the Vice President of the United States and *CNN* coverage of his visit to Portsmouth. The extra rehearsals the show choir and band held for their performance at the Vice President's rally and the Secret Service in the area checking everything.

The quiz bowl team had begun their season with great determination and success. The choir sponsored Popcorn and Pop Night and the Basketball teams prepared for the upcoming season. The National Honor Society held inductions

and sponsored the annual food can drive for the needy. The Reveler's Club performed their holiday play. The Christmas program was a big success especially when the faculty sang "The Twelve Days of Christmas". Mr. Stephenson was the hit of the show.

The winter was filled with activities and the time flew. The swim team excelled, the music students competed at Solo and Ensemble competition, and the scholarship tests were canceled.

The spring brought more activities like the musical, the sports events, the prom and graduation.

While the Class of 1996 made their first impressions and the Class of 1993 made their last impressions, both classes and those between will never forget our *LASTING IMPRESSIONS*.

Finally the time had come ... Seniors at last. After many years of hard work, studying, finals, term papers, tests and please don't forget the news articles, the class of 1993 made it to the peak of their adolescence.

As the year winds down to an end, everyone grows closer and closer, trying to add memories of their last moments together. Before they knew it, graduation had come and gone. Even though everyone will be going their separate ways, they will never forget the good times and bad, happy or sad... *LASTING IMPRESSIONS.*

JUNIORS !!!

Never did anyone say that it was easy being a Junior. The advance classes, the added responsibilities of jobs and homework, the term papers and the planning of the prom takes it toll. But the determination of this breed prevails and success is at hand. The fundraising and the meetings concerning the prom are taken with confidence.

With all of this in mind our junior year was a great year. We will always remember the events of our year and know that we made a *lasting impression*.

SOPHOMORES

A driver's licence, a car, and rules of the family and society had to be a part of the Friday night date.

The feeling of belonging and the enjoyment of classmates were readily accepted. Choosing a class ring and getting to sit downstairs at assemblies were welcome changes.

As the class of 1995 moved to upperclassmen status, many changes and new experiences came their way. A sense of new found freedom was experienced, but with this came new responsibilities.

HELLO DOLLY - A SUCCESS

HELLO, DOLLY! was the musical production put on this year. It's the story of Mrs. Dolly Gallagher Levi's efforts to marry Horace Vandergelder, the well-known half-a-millionaire, and send his money circulating like the way her late husband, Ephraim Levi, had taught her. Along the way she succeeds in matching up three other couples. Mrs. Levi chases Vandergelder from his hay and feed store in Yonkers all the way to the most elegant and expensive restaurant in New York, Harmonia Gardens. There she was greeted by waiters, cooks, doormen, and wine stewards in one of the most famous songs in the history of American musical comedy, HELLO DOLLY!

There were many memorable times that the cast members will always share. For instance, who could forget Barnaby and Cornelius repeatedly popping out of the trap door. And, poor Mary-Margaret Dale somehow always seemed to lose her wig sometime in between the dress rehearsals. No one will ever forget JoAnne Collins's portrayal of Ernestina Money. These are just a few of the unforgettable times these students had. As put by Sonya Kennedy, "It was a fun experience that will stay with me for years to come."

This musical is the irresistible story of the joy of living, glittering with the gay songs, shining with happy scenes, alive with the personality of one of the most fabulous characters on the musical stage ... Dolly Gallagher Levi.

The show was performed on April 1, 2, and 3rd. Mr. Mark S. Williams directed this production and Jamie Flack served as student director. Mr. Jeffrey Freytag was the orchestra conductor with Rebecca Climer serving as piano accompanist.

The hardwork and dedication to make the musical a success will leave many lasting impressions on all those who participated.

Graduation 1993

On May 30th, the Class of 1993 gathered in the PHS gymnasium for one of the most memorable events of their lives— their graduation. The 125th commencement of Portsmouth High School began at 3:30 in the afternoon as the seniors marched to their seats accompanied by strains of "Pomp and Circumstance." The students of PHS then showed their musical talent as the band played the Alma Mater and "The Star Spangled Banner." The combined chorus, led by Mark S. Williams, sang "The Glorious Music of Life," and "Heal the World."

After the introduction of guests, Valedictorian Amy Driedger gave her

address followed by Amanda Stevens with the Salutatory Address. Although the Class of 1993 made history as the first class to graduate from Portsmouth High School without a Baccalaureate Address, a student prayer was led by class president Jacob Bodner. Directly after the recessional, the seniors were led to the front steps for the group picture.

“SOCCER TEAM KICKS A FRESH BEGINNING”

The 1992 Trojan soccer team began with a new look this year with new Head Coach Mr. Coriell and assistant coach Dan Foss. With the new coaching staff the team took a new style of play which took a short time to adapt. All through the season the

team gave it their all for every win. There was much pride and dedication brought to the team from each and every member of the team. Each game brought much excitement to the spectators, which will hopefully spill over to future Trojans soccer team.
