SOUTH WEBSTER, OHIO

Is this the very place I knew so well!

These old, remembered buildings
How they quell the heart's despair!
And here fond memories dwell
On long-forgotten scenes.

Our Flag – Show It Proudly

WE AMERICANS cherish our Stars and Stripes.

It has given us heart and hope and strength ever since this nation was born.

It has flown in times of trouble and in times of triumph as a symbol of America's unquenchable ideals from the very time those ideals were first proclaimed.

It flies today as a sign that Americans, proud of their country's stirring heritage, are still determined to carry forward the great American dream, untarnished and unchanged.

It is our flag.

It is us.

Millions of us fly the flag at our homes on special days and are constantly deeply moved as we gaze upon it waving in the breeze, just as other Americans were moved when they, too, looked upon it at Valley Forge . . . twice in Flanders Fields . . . on Okinawa . . . and in Korea . . . and now in Vietnam.

It is a glorious flag.

We should fly the flag more often for when we do so we salute the countless God-given blessings we enjoy in this country — the land of the free — and visually express our individual support of the American credo: one nation, under God, indivisible, with liberty and justice for all.

And we should be humble in its presence, ever aware of the millions who have marched beneath its folds to fight and die that we might continue to enjoy those blessings and benefit from that belief.

Old Glory.

Born in 1777.

May it wave forever.

And proudly.
