

July 1853-

Monday July 1. 1898
Rained until noon
The ground is now
well. The most rain
we have had for
some time.

We fined around
until noon
& pulled onions
and got sick

Took a round of
colony morbis.
Fined around the
rest of the day.

Chas. J.

Tues. July 2.

A nice day.
I still have a
time with colic
mice.

Have not done
any thing today.
Ben is plowing
for Smith.

Wed July 3.

A nice day
I plowed chin
all day
Got through
the corn
The latest &
ever known us
to work corn
the first time
been is small
for the time of
the year

Thurs. July 4.

A nice day
The rain
but made a
nice day and
a good time to
picnic.

I stayed at home
and worked back
wheat, plowed
potatoes, and done
other work in
general.

The third fourth
I have worked
on success
Glen took in the
picnic in at
Huber. Smith &
Bill picked berries

Fri July 5.

A nice day
I began to
stack wheat
by stacking
wheat.

Stacked Smith
wheat and began
on more.

Sat July 6.

A nice day

They finished my
wheat this evening
Had two stacks
sacks of wheat

Sun July 7

Rained a nice
show this after
noon

A fine day
I was at home
all day

Smith & Jennie
took the buggy
and went down
to the Hill to
church.

I pulled the
stalk and then
picked up
huckle berries
to eat and got
all over with
chiggers & ticks
first.

Monday July 8.

A nice day
I gathered my
onions and hoes
The cabbage ones
and then began
to hoe my potato
Garden is flourishing
corn.

I received a
letter.

Tues. July 9.

A nice day
I hoes beans &
potatoes and
stacked Bill's
wheat.
Only four loads
left of corn
Bennett began
down this
afternoon to
get out of my
by so with
them over by
Baker's next
Sunday
The Corn met
I d.

Wed July 10
A cool night
Real chilly
by day.
Terrible summer
I went and
cut the rest
of the top and
part of the
millet
Plowed
the rest of the
day.

Thurs. July 11
A nice cool day
I finished plowing
corn at noon
Hacked weeds
the rest of the
day.
John is hacking
weeds along
I with plowing
of corn.

Tues. July 12

A nice day. Cool
& pleasant. Calm

in the orchard
till noon, with
breeze.

Had the rest

of the day
at the McVally

was here till

after noon.

Beginning for

at 10:30 AM. My

up to 10:30 AM. My

house and all

that house hold

found. Myself

and day last

week.

Sat. July 13

A nice day.

Continued pleasant
calm in the orchard
~~and~~

at noon.

I had the rest
of the day.

Burned the pile
of brush in

the orchard.

Was very nice

this evening.

Sun. July 14
A nice day
At home all
day and alone
the most of the
day.

Had to go
over to the

Chaffin's. This
morning.

I went with
Chaffin's boys
over in the hills

and found
some wild
bees watering

I read and
wrote the most
of the time

Mon. July 15
A fine day
This morning
Things look
well
I started to
cut grass but
Packed a
haul to the
mowing.

They found
other work
I copied on

Thursday 16
Another nice
rain last night
& have cut
grass all the
forenoon.
A nice digging
forenoon
The raked and
hauled in hay.
The other boys
helped and we
run two wagons.

Friday, Jan'y. 17.
A fine day
& cut grass
all the forenoon
of us, during
the boys helped
cut all in.

Thurs July 18.
A fine day.

Spent time at
the person's
After dinner
cut grass with
Bill's mace
I lay down
The first time
Cult. mace
gett terrible
warm.
Emma &
came up

Fri. July 19.
A fine day
Spent time
at the
& had fine
cutting grass
with the mace
of the crew
and all having
a small
crop.

Sat July 20
A nice clear
threatened rain
but failed
to get in
by about 10
hours of cool
breeze came
and and we
hunted been
all day
found a
very fine one
and got it
all.

Sun July 21
A pretty clear
day clear
the largest one
all day
found a
found them
to a large
had a
of several
of the
game thing
just John
Burr with car
threatened rain
but failed

Mon. July 22
A threatening
rain day
but did not
rain to summer
an inch

The cat at
Bill's was
and had
been.

Saw the ball
and got person
cut the
tree down
from an
area.

Tues. July 23.
A damp
The cat Bill's
was and moved
The machine
over.

Then we went
up and cut
a bet-see for
Mr. Call's
land.

We got but
little from
Bill's house
Came up and
got 12 lbs of
millet a set.

Wed. July 24
A damp day.
Rained a little.
He made 2 or 3
he wheeled corn
cleaned out
stables and
Harris went to
the store to mill
I went out and
called down
the beer.

Thurs. July 25
A heavy fog.
This morning
I got up and
cut 4 or 5
milk cans.
I held in the
garden until
it cleared off
then went to
cutting grass
as a
I worked the rest
of the day at
them.

Friday July 26
A nice day
but hay all day
across the creek
I finished
Glen thinned corn

Sat. July 27
A nice day
A hard rain and
some wind came
in the evening
A picnic at the
mill that spoiled
the snow.

We were making
rain had
The boys finished
hauling in the
hay and hauled
in Smith
crops.

Broke a wagon
at the dam
I took it down
by ropes and
brought the buggy
and back.

Sun. July 28.
A nice day
I went out to
the fields
Rather surprised
them
Had a nice time
Did not get
back until
late.
The truck a deer
down through
Scindonville.

Mon. July 29.
A nice day
Threatened rain
but failed
He finished cutting
fencing rails and
got the wagon
ready to haul
corn.

Tues July 30

A fine shower
came up just
before noon.
We hauled
6 loads of corn
to Block.

Wed. July 31

A nice day
finished hauling
corn.
Had something
near there kind
but
Got down early.

Yours

L. O. H.
