THE WHEEL

The 2019-2020 school year commenced like any other year, but in the spring of 2020, education and the world as we knew it changed. On Thursday, March 12, as the worldwide COVID-19 pandemic swept across the United States, Ohio Governor Mike DeWine ordered a three-week extended spring break for Ohio students. Little did we know that students would not return to the physical classroom for the remainder of the school year. Life changed as we adjusted to a new normal. A “stay at home” order was issued, and non-essential businesses closed. Hand sanitizer, disinfecting cleaners, and toilet paper were in short supply. Terms like social distancing, quarantine, and a focus on hand washing and wearing masks became common place as the virus spread across the country. As learning moved online, teachers scrambled to integrate technology into their lessons. Chromebooks and Internet access became necessities. Parents became teachers, and students were forced to become online learners. The 2020 senior class of Wheelersburg High School remained strong and survived the year, even with a modified graduation, the absence of spring sports, and the cancellation of year end activities. This yearbook reflects the lives of those involved by capturing memories frozen in time and events that happened. The faces that will inevitably change with time may only be remembered again by opening the cover. Seniors, we wish you the best!

GOLF TEAM IN FULL SWING

It was a successful year for the golf team in 2019. Coached by Paul Boll, the Pirates won the SOC Championship. The team finished fifth in the sectional tournament, advancing them to the district tournament where they finished in seventh place. Individually, Trevin Mault was awarded the team's Most Valuable Player Award while Cooper McKenzie took the Most Improved Player Award. Tanner Stevenson was awarded the Pirate Award for his display of leadership and character on and off the course. Mault was selected to First Team All-District, and Stevenson was selected for District Honorable Mention.

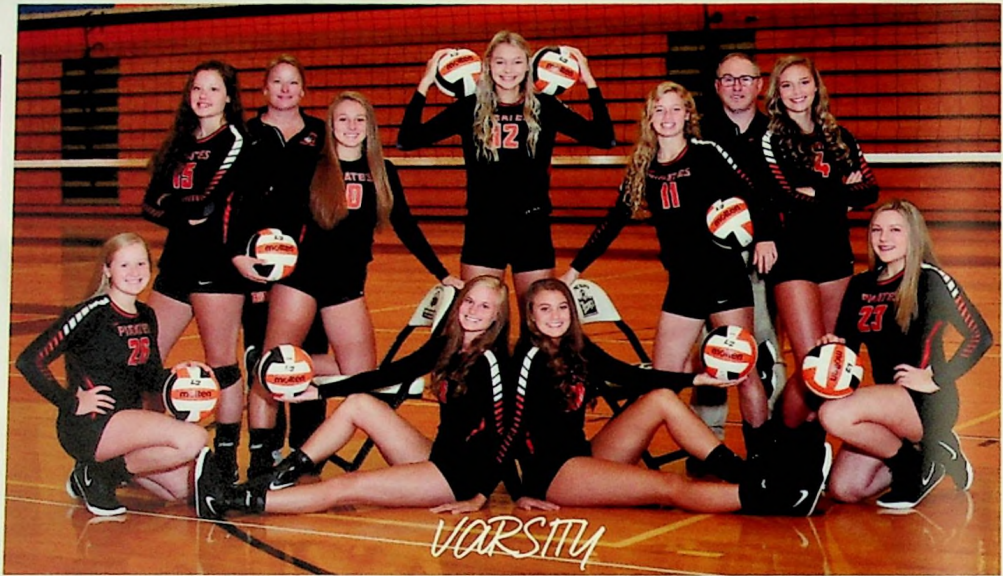

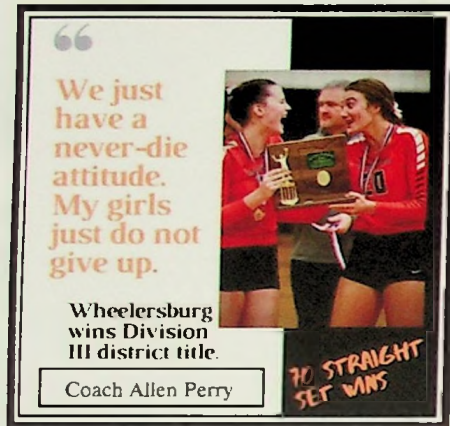

**Thanks for the memories, Coach Boll!
You will be missed.**

A SEASON TO REMEMBER

The volleyball team had a record-breaking season in 2019 with a 27-0 overall record, a 16-0 record in the SOC, the SOC Championship, the Sectional Championship, the District Championship, and the school's first final four appearance. Success this season started early in the summer at the University of Findlay tournament, where the team was a runner-up to eventual state champion Liberty-Benton. The team was also preseason tournament champion at West Virginia State University. The team maintained focus all season and accumulated a 73-0 set win record on the way to completing back to back undefeated regular seasons. The set streak lasted all the way to the regional final game against Berlin Hiland, where they fell behind 2-0 before a historical comeback victory. Two individuals broke school records this year. Kylee Barney broke her own blocking record of 108 total blocks in a season and now holds the school's career record with 201 career blocks. Senior, Alli McQuay, completed her career as the best server in Burg history with a record 726 career service points.

A SEASON TO REMEMBER

The 2019 Wheelersburg soccer season was a year to remember. It was defined by team chemistry, hard work, and a willingness to believe in each other. Finishing the season 17-2, the team went 9-1 in SOC play. The team ended the season as the Southern Ohio Conference champs for the second consecutive season and earned District Runner-Up. The season was highlighted by big road wins at North Adams, South Webster, and the SOC clinching win at Minford. Eleven players were honored with individual awards. Aaron Jolly received the SOC Player of the Year, Southeast District Player of the Year, SOSA Player of the Year, and First Team All-Ohio. Brady Warren was selected as the SOC Defensive Player of the Year. The seniors, Brady Warren, Will Darling, Mason Nolan, Luke Pauley, and Josh Russell left their mark on the soccer program both on and off the field.

FROM COACH WOODWARD

In many ways, this football team has been the quintessential Wheelersburg team: finding a way to win when the odds were against them, putting up the good fight, turning in outstanding individual performances to help their team and eeking out enough wins to be called successful. Easy seasons with a lot of talent are nice, but it is these types of teams that build the reputation and cause their opponents to respect the W.

The Pirates finished the season with an overall record of 8-4. The team earned the title of S.O.C. II Champions with a conference record of 5-0.

Pirates Win
SOC II

Front Row (L-R) Isaac Koster, Jackson Schwamburger, Braxton Rase, Eric Lattimore, Brody Scott; Back Row - Nolan Wright, Caleb Arthur, Cooper Maxie, Kaden Johnson, Zavier Stanley

The Boys' Basketball team finished the 2019-2020 season with a 21-3 record, claiming the outright SOC II Championship (15-1 league record) for the second consecutive season and the 30th SOC title for boys' basketball in school history. With a very young and inexperienced team, the Pirates bounced back from a tough couple losses in early January to win 13 straight games and repeat as conference champions. The team advanced to the Convo at Ohio University by defeating Meigs for the Sectional Championship before falling just short to Chesapeake in a District matchup. J.J. Truitt, Matthew Miller and Carter McCorkle each received All-District honors. Gage Adkins and Eli Swords also received recognition from the SOC for their individual play, but it took each member of the team's hard work and dedication to have a special season. This year's team played to "Win the Moment" and rose to the occasion in many big moments, coming back when down and pulling out tough victories like the overtime road win at Waverly to clinch the SOC Championship. Senior Corey Maxie graduates as a two-time SOC & District Champion. Juniors Aaron Jolly, Jonah Lawson and Mason Montgomery all played important roles for the team along with sophomores Josh Clark and Aaron Masters. In addition, freshman Kenny Sanderlin was a major contributor both as a starter and off the bench as he had some big games in his first varsity season. The Pirates will return a lot of experience and depth going into next season. Go Burg!

Celebrating Dr. Seuss Week

Language Arts

**The Cat in the Hat
aka
Mrs. Oppy**

Mrs. Oppy's senior English class wrote children's story books, based on a grammar component and inspired by Dr. Seuss. The books had to be original in composition. During Dr. Seuss week, the seniors went to the elementary school to read their stories to kindergarten through third grade classes, a tradition since the new school was built 12 years ago. The following week, the students taught the grammar lessons to their classmates. Highlighting the event, Mrs. Oppy dressed as The Cat in the Hat.

REALITY FAIR

Ninth-grade students participated in the 10th annual personal finance Reality Fair. In cooperation with DESCO Federal Credit Union and sponsored by Milhuff-Stang CPA, the Reality Fair gave students the opportunity to apply their knowledge of personal finance to real world situations. A representative from the Ohio State Treasurer's office attended the event. Students submitted essays on finance topics which were evaluated by DESCO employees. Awards went to: third place - Elijah Jones, second place - Emily Janney. first place - Kenny Sanderlin.

A YEARLY TRADITION

Quiz Bowl

After winning the Division II Southern Ohio Academic Tournament Championship, Mr. Brian Oakes, Quiz Bowl coach, had the following comments. "We lost some seniors that were critical to our team last year and it took us a while to learn how to play without them, but we eventually did and it just came together at the end of the year. The kids worked so hard and practiced after school."

Front Row (L-R) Rachel Davenport, Rohit Kataria, Austin Meyers. Back Row - Lyndsay Heimbach, Kate Gilmore, Tanner Stevenson, Justin Janney, Mason Nolan, Will Whitley, Hannah Skiver.

Science Bowl

The Wheelersburg High School Science Bowl Team, coached by Mr. Boll, entered their fifth year of competition in the 2019-2020 school year. After winning the Regional Science Bowl and earning a spot at the National Science Bowl for the past three years, the Science Bowl Team entered the 2020 Regional Science Bowl as defending champions. During the competition, the Wheelersburg A Team set a regional record with 132 points for most points scored in one game, breaking the previous regional record, also held by Wheelersburg. The Wheelersburg A Team was made up of seniors Rohit Kataria, Austin Meyers, and Mason Nolan and juniors Pete Newman and Will Whitley. The Wheelersburg B Team was made up of junior Elias Robson, sophomores Rachel Davenport, Serena Kataria and Chris Shiepis, and freshman Eli Jones.

Spring Sports

We will never know
what could have been.

What could be worse than your team being defeated or you not placing in a track event? Students who normally compete in spring sports found the answer to that question when all spring sports were canceled because of the COVID-19 pandemic. Whether a freshman, sophomore, junior, or senior, and especially the seniors, many felt great sadness in not being able to compete and miss an opportunity to possibly break a personal best record or even better, to break a school record. With no pictures from spring sports, we collected pictures from students who would have competed in the 2020 season.

Delanie Irwin and Alyssa Dingus

The season that never was.

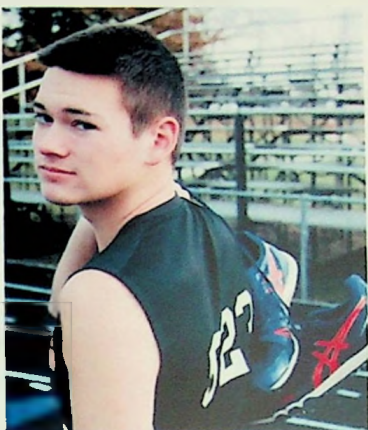

Zach Whitley - Track

I always thought that maybe I would be able to have a great senior season, and to just compete one last time. I really wanted to reach the level that my dad was at his high school career, but I understand lives are more important right now. Maybe in another life or scenario I would have been able to put my name next to his on that record board, maybe I could have had a season without collapsing after a race from my asthma, maybe I could have stayed injury free for once. I really wanted to make a difference in this sport, even though I don't get my name in the newspaper, I wanted to be good at the only thing that mattered to me, I wanted to let people know that running is something that anyone could be good at if they just put their heart into it.

Andrew Clark - Track

Since the competition was nonexistent, I'll say we're the 2020 SOC Track Champs.

Gabby Deacon - Track

I went to the OHSAA State Track and Field Meet two years in a row with an amazing team of girls. We won SOC every year I was a part of the team> We took District records, and my name is up on the school record board amongst great company. I am grateful for the memories. I just wish I could have made more.

Isabella Williams - Softball

The talent that was going to come with the 19-20 season was going to be unstoppable. We were predicted to win state this spring season. With being a senior and softball being my favorite sport to play, the devastation of not having my last season ever, doing what I love, was so hard to take in. Stronger Together.

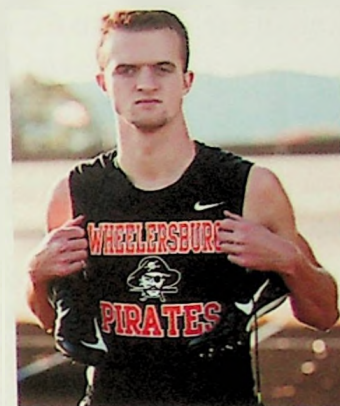

Rohit Kataria - Tennis

While our season was unfortunately cut short, I hope to continue playing tennis for many years to come.

Hunter Ruby - Track

I was disappointed to not get to participate in my senior season of track. Track is a sport that I truly enjoyed. I had great expectations this year of myself and my teammates. I had no doubts we would have gone far. Unfortunately, COVID-19 had other plans.

From Coach Massie

The 2020 spring track season is dedicated to these seniors, Hunter Ruby, LJ Payton, Makya Matthews, Andrew Clark, Corey Maxie, Zach Whitley, and Luke Pauley. The season got underway for about a week. In that time they worked tremendously hard and were determined. The distance runners started to get back into form and were ready to show the league what they were capable of. The sprinters worked to build off the success they had the prior season and possibly make it to State. Many had aspirations of All-SOC teams, All-District, and more. It is unfortunate that the season did not happen, but we know things happen for a reason. The team put in a lot of hard work and determination in that week, truly representing what we like to see displayed in Wheelersburg Pirate Track.

Softball

WORDS FROM THE COACHES

True heroes are measured by what they give away. Our softball team has given up so much. Beyond wins and achievements, we have missed out on spending several hours together each day, making memories and building relationships and skills that last a lifetime. We cannot get that back. However, we can find a way to make the most of the situation; another life skill. We must choose not to focus on what was taken away from us, but instead see what we sacrificed to save the lives of others. To see the faces of people who stayed healthy because we selflessly surrendered what should have been our time together, our season. In sports and in life, we learn from adversity. We learn from difficulty, large and small. Whether it's an at bat, an error, or a season taken away from us unexpectedly, we grow stronger by making it through these situations and we are better for it on the other side. When the next struggle meets us, we are more prepared to handle it. Our motto this year was "Stronger Together." We may not have had our time together, but we will all be stronger and we will always have our team to lean on, in times of victory and in times of adversity. We all have a future to look forward to and we will look forward to being stronger and being together when that time comes. For our seniors, we will not be on a softball field. Their sacrifice is always the hardest to wrap up in words. But they are true heroes who have made the most of an unbelievable situation. We appreciate their leadership and sacrifice. Missing them came three months earlier than expected, but we look forward to seeing them use the skills they have built through our time together to lead them selflessly into their successful futures. These young women will always be a treasured part of our Pirate Softball Family.

SENIOR PARADE

The social distancing order issued as a result of the COVID-19 pandemic had an impact on everyone, especially the senior class and their end of the year activities.. In light of that, Wheelersburg Local Schools and the community participated in an activity to honor the 2020 Senior Class. On April 20, 2020, at 8:20 PM, the stadium lights came on. For the next 20 minutes and 20 seconds, families and friends drove through the stadium parking lot to celebrate with their seniors.

Brady,
We've watched in amazement as you've grown into the young man you are today, and we're watching with great anticipation to see who you become and what you accomplish in your future. Treasure the memories and the friendships you've made. Remember to stay humble and kind and never forget where you came from. We are so proud of you Brady and love you always.
Love, Dad, Mom, Creed and Gram

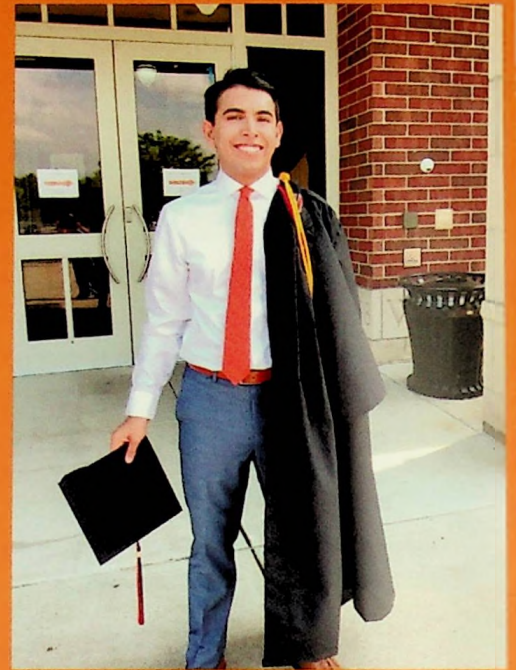

I hope your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known.
- Newton D. Baker

Congratulations, Rohit!

We are so very proud of the young man you have become. We wish you the best of luck as you continue your journey to serve the world with character, leadership and love of God.

All our love,
Mom, Dad and Serena

"Be the change that you wish to see in the world." Mahatma Gandhi

Congratulations Jarrett!

You have worked hard to achieve your goals from the first day of school until your last. We are proud of your accomplishments, both in the classroom and on the field. We are always behind you and are proud of the man you have become!

Love,
Dad, Mom, & JJ

We're so proud of you! Remember to go after what you want and stay humble along the way. We know you're headed for greatness! Have a fantastic and memorable senior year! We love you big!!

- Your family

Makya, silence and poise have come to be your strengths. Hold fast to these values and you will always be "The Quiet Storm." We admire and love you. Love, Mom, Dad, Rem, and the entire family
