1902

Sat. Mar. 1,
A fine air
day. A little wind
and dried up
fast.
A donald
fence. Cut
a road. made
a cross tie
piled fence.
Hammie in
the sea and
camp. a little
Hut. This
up. This evening

Sam May 2
It rained last
night - one of the
best of this season
I got 3 or 4 real
chickens - 2 old
and 2 young
was promising
a couple more
At home all
day when
could have
seen any more
but have enough
as usual. Chickens
milk and butter
to the school
Let the colt air
The hammers seem
to be all right

Sam May 3.
A cool day
Froze last night
I hauled 4 loads
of packs and 4
loads of wood
All well and
getting along
all right

June 4
A nice person
Tregu had last
night.
I took a little
dab of wheat
up to small
got it exchanged
for flour and
got back home
A snow had
set in and is
now snowing
hard. Little Joe
came along and
is here

Wed. Mar 6
About 15 min of
snow on the
ground and has
drifted some
found about 30
hours a truck
I feel rather
lucky by getting
so near ready
for a train
Joe is still
here now and
I have a
cupful of
shelled beans
and cracked nuts
I have been about
buying something more
and taking care of it

Thurs Mar 6;

2 degs below the
morning, but rising
up by noon to
39 below.

Snow melting
fast. Got started
out this morning.
I took a little
hunt. Caught an
rabbit. Hunted down
to Newland's to
see Henry's calf.
I stopped at Shipyard
Saw Brown's baby
for the first time.
Bath's got bad
colds.

Fri Mar 7

A nice day overhead
froze last night
18 degs.

I have cut a little
wood and put in
the seat of the
tug talking
Pa away up and
we talked the
road over and
about venting
A big mistake
about fresh water
has turned up
50% difference for
which kept me
from cash venting
20000.
Mr. Han's husband
missed

Sat. Mar 5
A damp foggy
line in morning
going off rapidly
Creek getting
high.
I took a little
hunt this morn
but got nothing
about any of
my fox call
but the
game. I'm
They shoo me.
Have not done
any thing to
to catch.
I'll look
here to buy

Sun. Mar 5
A nice day
Very muddy
Snow about
7 and
Creek falling.
Byn. Mason
well.
He went down
home an
Sand an

Monday Nov 10
A fine warm
day
Foggy a little
last night
Jim began to
work for me
by the first
he shucked on
and hauled.

Tues Nov 11
A fine day
Warm
Hard dieplicing
fast
Jim & I finished
shucking corn
and hauled in
all more than
hauled in
He worked hard
Went out to
trade with
Salda

Wed. May 12

A cloudy windy
day. Rained a
little this evening.
Thundered hard
John & I finished
cleaning out the
stables and
then got word

Thurs. May 13

A hard thunder
storm and some
hail last
night.

Turned some
coolers but a
nice day.
I hauled fady
and Jim cut
up & got
all of the fady
hauled.

Fri. May 14
A nice day
Sun cloudy
He got ready
and drove on
home when my
arrived a little
after noon
and found them
all well
He left Jim
to take care
of the things.

Sat. May 15.
Had rain
time. Shows
came at several
times. He stayed
all night but
went on here
& went on
and took dinner
with Ben's
They have had
some sickness
by the camp
back here
leaving Ella
babbling. Came
past the hole
visited at the
primary the
house can

Sun May 16
A hard rain
this morning
and several light
shaws to day.
Barry
Jim & I stayed
down home
all night and
the most of the
day. but at
home to night
and found it
no. Jim trying
to be sick

Mon May 17
A pretty fine
but turned
bluster and
sprayed some
Jim & I just
left early
got out
breakfast
checked the
map. took the
head of the
island
on a little boat
at the old
place to the
head. We got
back about 2 P.M.
Have chud and
pined up. their

7
Tues. May 12
A cold morning
12 degrees
Banned up a
little.
Jim & I ~~cut~~
shaved wood
will upon
We are batching
I do the cooking
I got ready
and down my
home. when I
found them all
well. Ella
and the babies
all well and
glad to see
my come

Wed. May 13
A cold night
but a warm
bright day
Ella & the
babies not
ready and
after dinner
we started
for home
where my
aunt and
Ella & all
live. I took
care of his
and I don't
know if I
will be

Thurs Mar 20

A fine day
Cold this morning
but thawed &
clearing the day
Jan & Co cut
a timber show
around some
wood

Jan & Co down
here to see
about planting
a lot of trees
around in
Jan & Co want
to see
the ref. person
and then put
me on a horse
and the

Fri Mar 21

A fine day
The cold
this morning
Jan & Co sawed
wood till noon
then Jan got
ready and
went up to
Joke's then
I have some
meat and
cleaned off the
yard.
Ella Howard
was down and
brought a record
Ella down a
big machine

Sat. Mar 22.

A cloudy morning
but cleared off
I have chatted
around
We got ready and
drove out to
Larrie Connelly
Jim. Can. had
by my and
in charge of the
charge of the
stalk.

We arrived at
there about 10
o'clock. Larrie
had gone to
town but got
in a little of a
dark

Sun. Mar 23
A fine day.
We looked
around over the
place. Then
up at the
Terry's to
look at a
my. Back that
he wants to
well.

We got back
early at
dark. I found
things all right
and the chocs
all done. My
Jim Morgan

May 24
A fine day
Jim & I have
cleaned up the
garden & planted
it and put
some early potato
some lettuce
egg plants & peas
Jim & I have
roaded up
and left a lot
of work to
be done

Ann Kelly
sent over a pair
her 200 eggs
& good salary
\$22.00

June 25
Another fine day
Jim & I have
fixed fence
dug ditches and
planted
Ma Cammy
and got her 56
chickens and
sold for
\$1.75

Fri Mar 25
A nice grain
rain last night
and to day
Jim & I. Sham
fixed fence
chopped wood and
fixed the barn
rough.

Harry helped us
be hauled a
load of slate
and plank.

Sat Mar 25
A nice day
Rained last
night
Jim went down
to Centerville,
I rode Wood up
to Chubbs down
part Mattie
I let Mattie
ride his down
home and I
came down with
Jim & order.
Rose came up
and stayed with
Ella white &
walked across the
hill to Howard's
to Rev. Cadell and back.

Sun. Mar 30

Very fair and
a lot of thunder
last night
He did not get
up till late.
Had eggs in
abundance.
They all came
up and took dinner
with us.

Wattin. Jam up
with those.
The wind took
a fresh start
and blew the
wood shed flat
fence and haystack
down. In Can
back

Mon Mar 31

Another very
blowy day
A strong gale
snowed and
rained a little
Cool
Jim & O. have
cleared off
ground.

George M. Mearns
1 bag of potatoes 1.10
1 sack of stock feed 1.50

William Mearns

7 20 bags
1 sack of feed 16.40
1 sack of feed 1.95
1 sack of potatoes 1.50
1 sack of hay 2.80

\$ 22.65
add amount 8.10

\$ 30.75
