Christmas

"Santa's Coming Down the Chimney"

Second grade bell players performed, "Jingle Bells".

The first graders sang, "Frosty the Snowman".

After performing, everyone got to watch the rest of the show!

O.K. reindeer! Fall in line!

Santa and his elves!

Fourth graders decorate their tree and sing!

"I'm getting nuttin' for Christmas!" by the third graders.

Festivities

Butterflies dance and sing!

Ladybugs, fireflies, and lambs!

Firefly Buck Martin sings "This Little Light of Mine"!

Mary and Joseph are joined by all the creatures to adore the Christ child.

These birds can really sing!

Do birds celebrate the birth of Christ, too? These birds do!

Mrs. Schrader worked hard on the costumes.

Missy Stonerock leads the singing.

The angel narrator is Tom Meek.

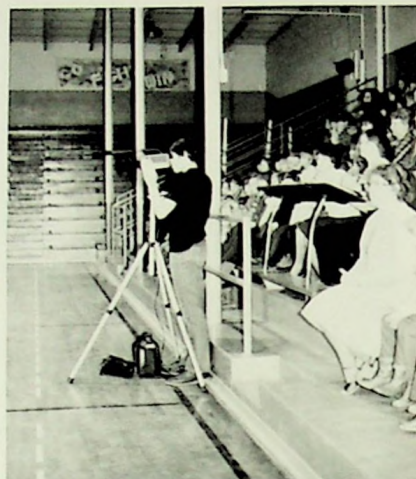

The music was provided by Miss Prior and the student chorus.

Right To Read Week

Parents took part by reading to their child's class; Diana Flannery reads to the first graders.

These third graders are going to the school library for more books to read.

Many classes had reading contests and book clubs. These second graders are busy reading to win.

Every day, everyone in the building had 15 minutes of silent sustained reading.

Jeff Stroth is our assistant with classes checking out books from the bookmobile.

Second graders certainly enjoy reading those books!

SCIOTO FURNACE BAND

Amy Crum collected the most money and became the Little League Queen.

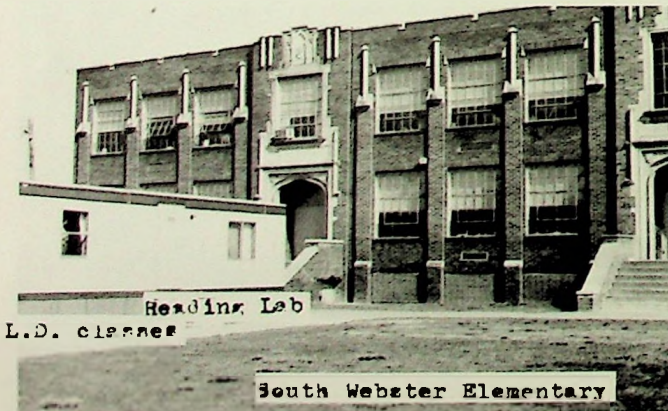

The L.D. classes won 1st place for this banner at their area track and field day festivities this spring.

These students are a few of the many 4th, 5th, and 6th graders that were awarded ribbons by Mr. Estep for winning events at their track and field day.

Some of our fund raising sales projects money went to purchase color television sets and a video recorder to be used in viewing public educational television programs broadcasted from Ohio State University.
